OF THE MORGAN PARK HIGH SCHOOL

A T R I B U T E T O T H E S T U D E N T S

Taking its place in the limelight this year is Morgan Park's student body. At the end of an outstanding year, there are numerous accomplishments for which the student body justly deserves a "pat on the back."

During the first part of the year, all eyes were focused on the gridiron. The team came through with only two defeats of the entire season. Mid-winter saw a successful production of the dramatic club. The Student Association membership reached a new time peak of 1700. Throughout the school year new ideas brought improvement to the school newspaper. With spring came the annual rose sale which climaxed a bigger than ever clean-up drive. Topping off semester exams, the senior prom proved to be a gala occasion for class-weary students. Accomplishments in baseball and basketball were outstanding. In May the school year was brought to a most successful close by the musical production.

This typifies the spirit of Morgan Park students, doing their best in all they undertake, undaunted by defeat, elated with victory, and happy in all they do—outstanding in a new generation. Congratulations, students, for a most successful school year!

★ FACULTY-STUDENT RELATIONSHIP

PUPILS of Morgan Park are given every opportunity to help themselves, to broaden their horizons, and to learn. The faculty is doing all in its power to assist students along each of these paths. Both parties make up vital parts of the school, with co-operation as the keyword of their success.

In helping pupils to help themselves, a branch of the National Youth Administration has been founded. This organization assists boys and girls in securing positions after school hours. With an eye to the future, a system has been inaugurated by which juniors are given individual advice and guidance along vocational lines. The greatest effort is being put forward by the faculty to understand the home environment of each individual through the Parent-Teachers' Association. Open house is maintained each year to acquaint the parents with their children's problems.

In return for this vast interest, each individual does all possible to get the utmost out of his school life both in academic and extra-curricular interests.

OUR LEADER SPEAKS

I N the dedications of Empehi yearbooks, generous recognition has been given in the past to principals and to members of the faculty. It is only fair that occasionally a number should be dedicated to the students themselves. We older members of the school community need to remember that high schools are maintained solely for the purpose of educating young people for the duties of good citizenship. The student should be the focal element in all school activities and planning and since nearly all the material and work going into the annual is done by students, they are fully entitled to special consideration for carrying through this project of their own planning. The members of the faculty of the Morgan Park High School wish you the greatest possible measure of success in everything you undertake. And in the words of Sir Walter Raleigh we would say—

"Bestow thy youth so that thou mayest have comfort to remember it when it hath forsaken thee, and not sigh and grieve at the account thereof. While thou art young thou wilt think it will never have an end; but the longest day hath its evening, and thou shalt enjoy it but once; it never turns again; use it therefore as the spring-time, which soon departeth, and wherein thou oughtest to plant and sow all provisions for a long and happy life."

Hail and farewell to the class of 1940.

CAPTAIN G. G. LORENTZ

THE most beloved figure at Morgan Park and worthy object of our respect and admiration! Only a rare personality can maintain strict, fair discipline throughout a student body, yet symbolize popularity at its best. His is that personality. He has played a tremendous part in our Student Association which has given us valuable character training, experience and more fully prepared us to meet adulthood. His intense interest and never-failing ingenuity are the very core of our extra curricular system.

Many times his ardent cheerleading and cart-wheels have spurred our teams to victory.

A fathomless source of inspiration and understanding, he is indeed our best friend.

THE FEBRUARY GRADUATES

AS USUAL, graduating seniors found themselves in a whirl during the month preceding commencement. At the head of the activities was Ben Clarke, president, who handled the office efficiently, assisted by Florence Barry, vice-president. A fine job of minute taking and correspondence was done by Ethel Fashbaugh, while Walter Henderson served as a competent treasurer.

The grand ballroom of the Knickerbocker Hotel formed a distinctive setting for the Prom. This most unusual room with the vari-colored illuminated glass floor was chosen by Nancy Gregson and her Prom committee.

Reminiscences and laughter were prevailing at the class banquet given at Mickleberry's. Florence Barry, chairman of the entertainment committee, arranged for solos by Dorothy Winters and Nancy Story in addition to a reading by Patricia Wolff. Further amusement was shared by the school at the senior assembly, "The Wizard of Ooz", produced by Bud Ranz.

After momentous debating, Margaret Smith and her gift committee decided a new radio would be of most benefit to the school. In the meantime, Florence Winkelman was industriously selling announcements, while Russel Winkless and Donald Nelson were securing senior rings.

As the members of the February, nineteen hundred and forty graduating class stepped forward to receive their diplomas, it was agreed that they were following along in the same road with the same high ideals as their predecessors.

FEBRUARY WHO'S WHO

VIVACIOUS Ruth Burnet is an excellent example of a scholar and an executive. Her long list of extra-curricular activities include membership in the National Honor Society, seven semesters in Tau Epsilon, French Club, Quilpen, Town Meeting, Latin Club, but we could go on forever as Ruth has certainly been very active and efficient.

Fred Minuth, athlete, scholar, and executive, has worked hard to obtain the many honors which he may now claim. One of Empehi's most outstanding athletes, "Fritz" was captain of the 1939 football team. His other activities include membership in the National Honor Society, Tau Epsilon, Student Court, and Inter-class Council. Success will always follow "Fritz".

Chosen by her senior class as the most popular and best-looking girl, Florence Barry was also vice-president of her class. Her ability to work won for her many positions. Her cheerfulness and pleasant personality make one want to call her "my friend". These and other valuable characteristics will assure her a successful future.

Because of his reputation of being an excellent leader, Ben Clarke received the honor of becoming the president of his graduating class. He distinguished himself scholastically by being a member of Tau Epsilon for four years and a member of the National Honor Society. He will always be remembered for his alertness, efficiency, and courtesy.

THE JUNE GRADUATES

AFTER days packed with new experiences, the June class stepped forward to receive its diplomas and face the world. There was the all-important banquet given at Mickelberry's and the never to be forgotten senior play directed by Betty Headland. On that day the entire class put aside its role of sophistication and enjoyed itself in presenting "A Day at Morgan Park."

The master minds, supervising activities, were Robert Van Etten, president; Barbara Mulberry, vice-president; Beatrice Stockdale, secretary, and Forest Tozer, treasurer. Bob Van Etten and "Bud" Tozer, proved they were both popular and efficient. Barbara and Beatrice have had many extra-curricular activities to their credit and are excellent students as well.

With the opportunity to purchase a recordio as the class gift, the class agreed it would be most beneficial. In charge of arranging the commencement program was Dick Miller, while Jack Spence headed the Cap and Gown committee. Lois Wirtschoreck directed the announcement committee. Bidding Morgan Park a sad farewell, two hundred and eighty-three seniors looked hopefully forward into the future.

Patsy McCune

JUNE WHO'S WHO

DICK MILLER combines the abilities of high scholastic standing, athletic prowess, and leadership. He is a member of the Executive Committee, on the baseball and basketball teams, and holds the position of "his royal highness," King of Empehi.

Patsy McCune is a girl of unusually grand personality. She has been active as second vice-president of the Student Association and as head of the Social Committee. Her ability as a leader will bring success to her in everything that she shall undertake in the future.

When leadership, scholarship, dependability and friendliness are mentioned at the same time, one immediately thinks of "Bud" Tozer. Being forced to give up sports because of an injury resulting from football, Bud centered his efforts on curricular activities and scholarship.

Smiling, efficient, Barbara Mulberry has been very active during her four years at Morgan Park. It was a pleasure to work under her. The A.Y.L. had a successful year with Barb as president, and the vice-presidency of the senior class was another of her many well done jobs. With her ability, Barb will go far.

JUNE HALL OF FAME

★ SOCIAL - CIVIC RELATIONSHIPS

THE activities at Morgan Park are open to all students. For many years the students have gone out for the different organizations with great zest. The person who doesn't excel in sports or "the arts" may develop leadership in other things. The meek person who sits beside you in your second period class may be the leader in a club or play. These activities help to bring out the talents of the pupils, build character, and instill knowledge. Organizations are fun; they not only encourage friendships between the faculty, but also among the students. Who doesn't, in some small way, like to know he is part of a group accomplishing something and that he is partly responsible for its success. Everyone has his own idea about which organization, of the many, he wishes to join. Credit should be given to the various officers for the efficient way which they have managed their duties this past year. Another group to be thanked are the members. Their co-operation has meant the success of all undertakings.

THE STUDENT ASSOCIATION

NEVER before in its 21-year history has the S. A. had a membership of 1700. This year's activities were under the leadership of Bud Lauerman, president; Fay Trolander, first vice-president; Patsy McCune, second vice-president, and Bob Telander, secretary-treasurer. Other members of the Executive Committee were Betty Berthold, Student Court chairman; Dick Miller, Athletic Commission chairman; George Stearns, Annual editor; Ruth Burnet and Fred Hobe, fall and spring semester Empehi News editors respectively. Robert Rantz headed the Promotion Committee during the fall and Virginia Coburn and Eleanor Drake took over for the spring.

This year the Student Association presented an unusually large free entertainment program which included moving pictures, a night football game, "All-Sports Night", a hypnotist, socials, variety shows and many others.

This year the Student Association stepped from its usual field of operations in organizing the Protective Patrol to protect the neighborhood on Hallowe'en night. This venture was so successful that it has become a permanent part of the Student Association.

STUDENT COUNCIL

The Student Council, consisting of all division chairmen, composes the lower house of our student government. The chairman of the Student Council is the S. A. president, Bud Lauerman, and the faculty adviser is Capt. G. G. Lorentz. All rules for the school must first be passed by the Student Council before they may go into effect.

The Student Court is composed of the chief justice and five associate justices. They are assisted by a committee of inspectors whose duty it is to see that all school rules are obeyed. The court is not organized to deal out punishment but obtain the co-operation of the student body in the observation of school rules.

Under the secretary-treasurer of the S. A., Robert Telander, is a Financial Committee whose duty consists of collecting all S. A. dues and keeping all membership records.

All elected class officers are members of the Interclass Council. The purpose of this organization is to help promote all class activities, such as socials and sales. The council is presided over by the second vice-president of the S. A., Patsy McCune, who has charge of all class activities.

The Promotion Committee is composed of about forty students who are organized to promote all school activities. Selling tickets, promoting athletic events, and arousing school spirit are all taken care of by the Promotion Committee.

THE A Cappella Chorus under the able leadership of Mrs. Bernice Hartle is in its sixth year as an organization of Empehi. Organized for the purpose of promoting musical appreciation and vocal harmony, it continues to hold a definite place in the school's activities.

Any student who has completed, with credit, two semesters of music is eligible for membership in this organization. There were more than one hundred young people who enjoyed the privileges of this unique pursuit in music during the past year.

On the day before Christmas vacation, in keeping with the Empehi tradition, the A Cappella Chorus and the Girls' Glee Club participated in the Christmas assembly. They also sang numerous Christmas carols in the halls of the building throughout the morning. The chorus, in collaboration with the other musical organizations of our school, presented the annual spring musical production in Blackwelder Hall.

The officers of the fall semester were Forest Tozer, president; Betty Headland, vice-president; Jean Lidster, secretary, and Robert Zins, treasurer. The officers of the spring semester were Virginia Brantner, president; William Pugh, vice-president; Marion Nebel, secretary, and Forest Tozer, treasurer.

TO give the students an ideal Empehi 1940 annual was the earnest endeavor of this year's Annual staff. George Stearns was editor-in-chief, and Mrs. Dorothy Cella the faculty adviser. Other officers were Bud Tozer, Sports editor with Bill Pugh and Bert Kullerstrand assistants; Beverly Akenhead, Literary editor; Eleanor Drake, Art editor; Chuch Wurmstedt, Business manager; Jack Dinnsen, Ad campaign manager; and Jerry Mordue, Treasurer.

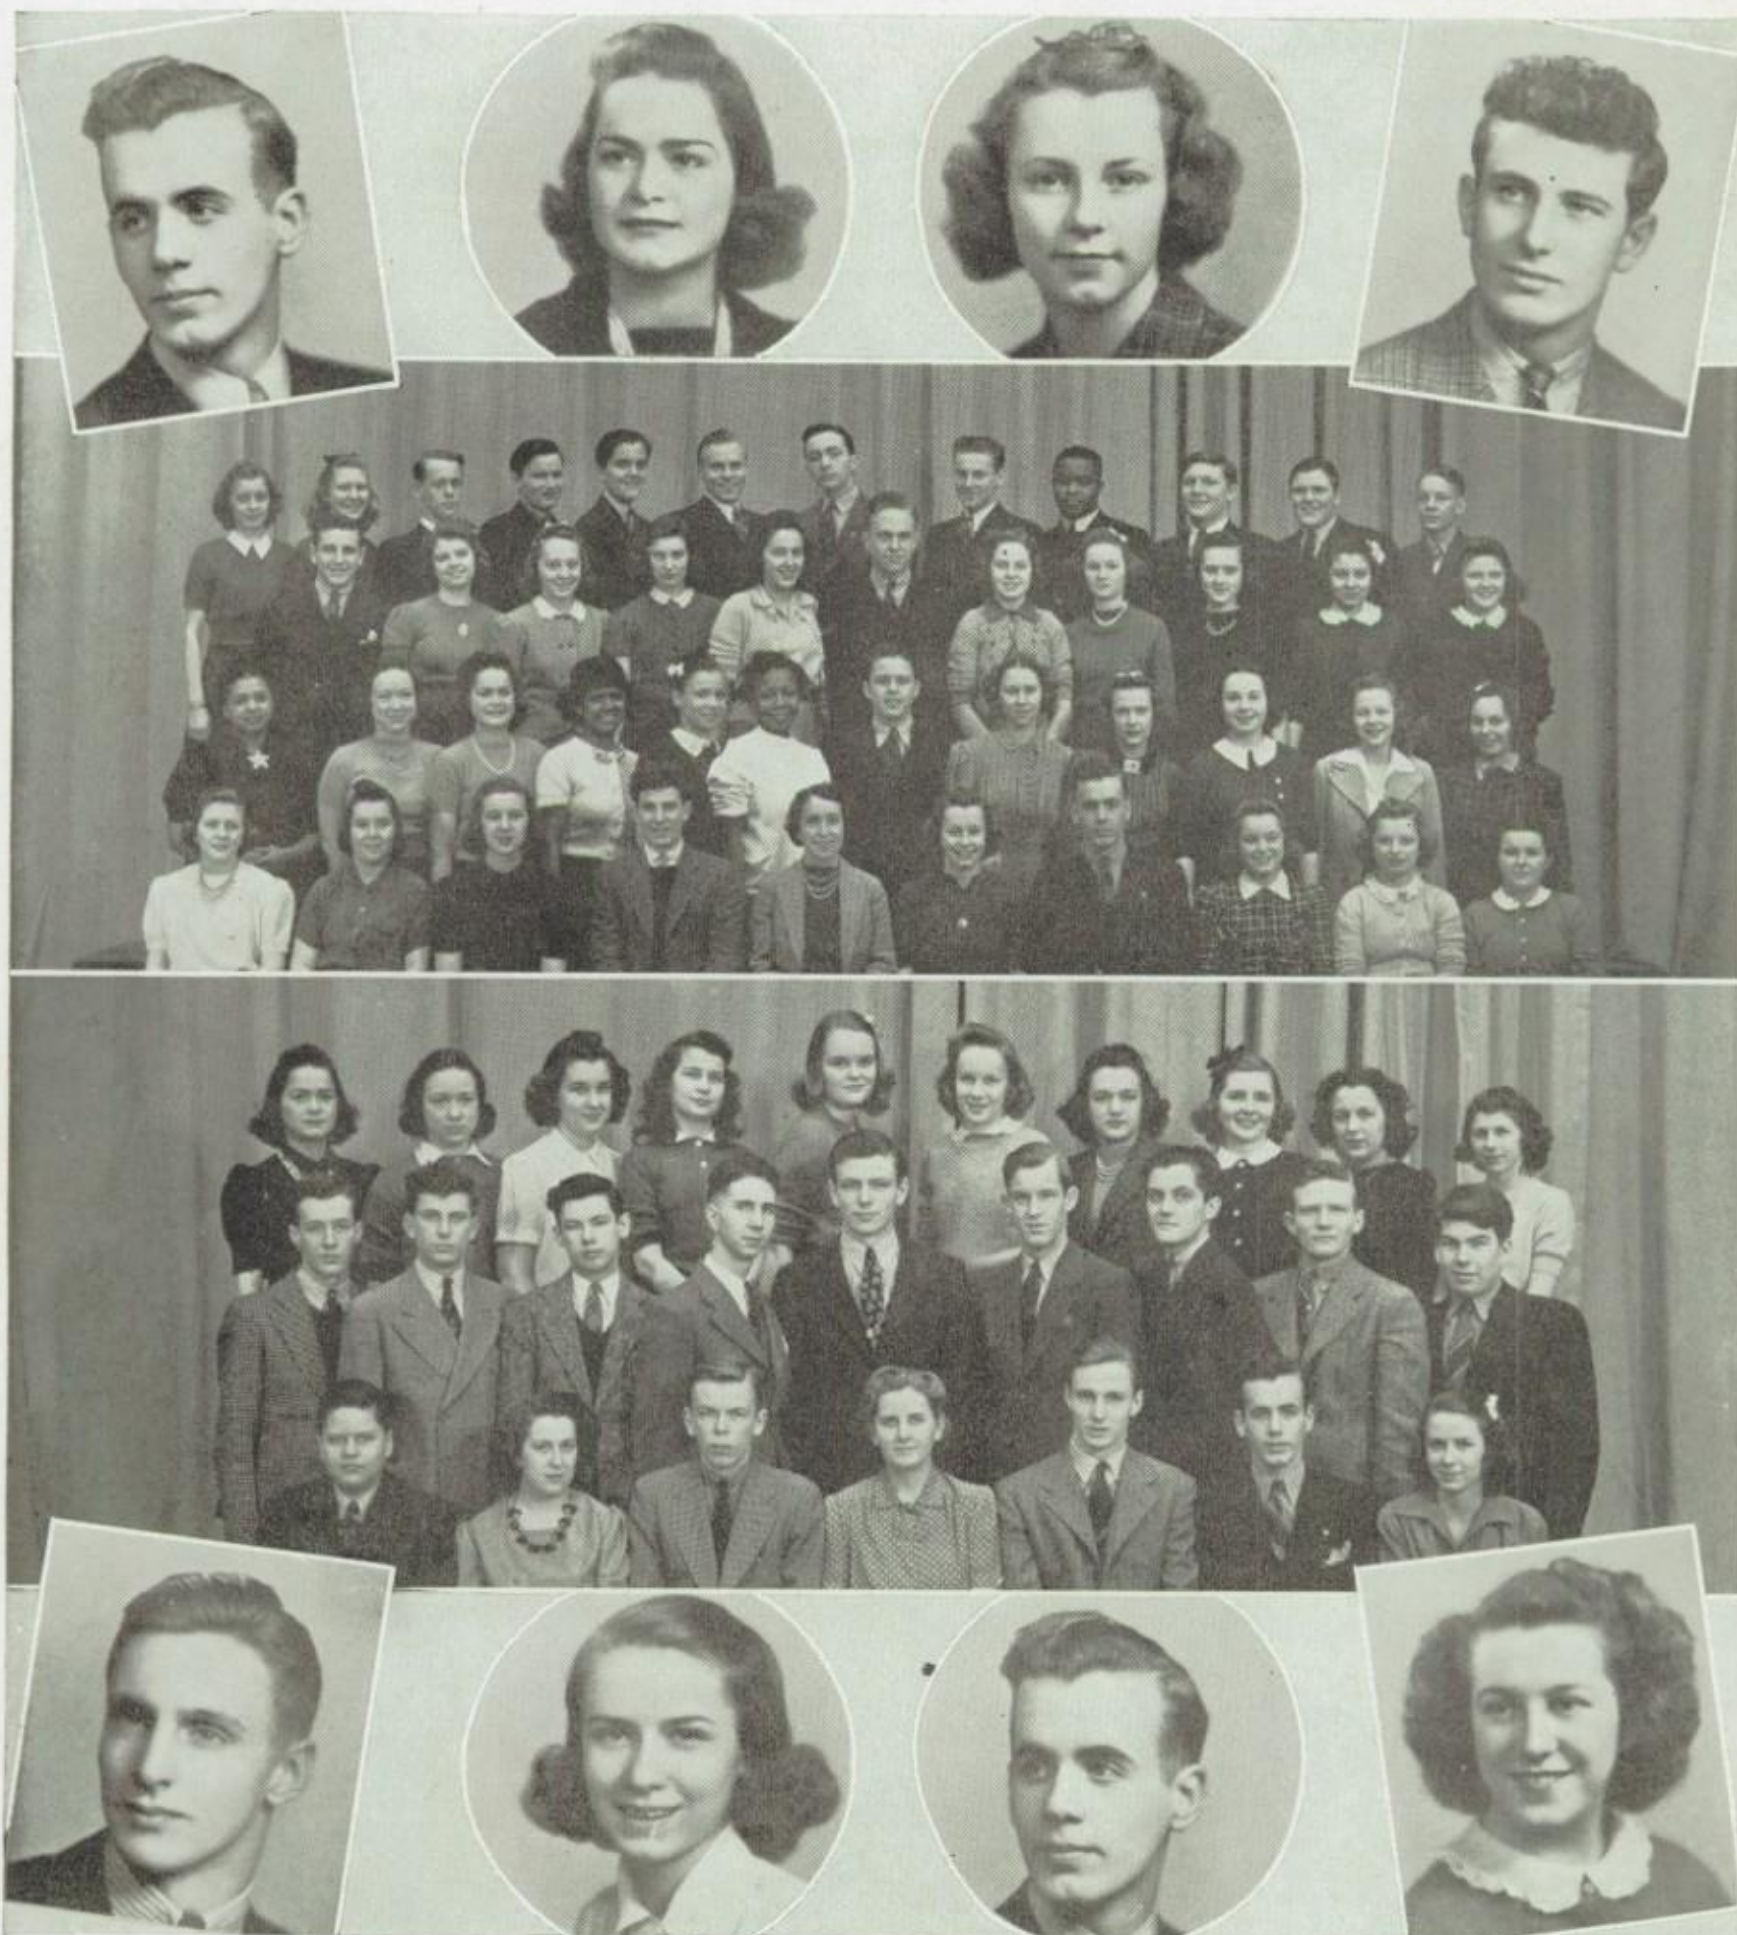

During the spring semester, a candid-camera contest was held for the purpose of obtaining pictures for use in the annual. Barbara Mulberry and Betty Headland, two of the staff's most efficient workers, were in charge. The pictures chosen may be seen featured in the annual.

The purpose of the annual is to present to the student body a comprehensive and candid view of the school activities. The use of many candid photos helps to create this informal atmosphere throughout the book.

The staff extends hearty thanks to its members for their fine co-operation, and hopes that the school may benefit by its efforts.

ONE of the youngest clubs in Morgan Park, the American Youth League, is unique in that it claims Dr. Tubbs, our principal, not only for its founder but also its sponsor. Mr. Edward Meyers and Miss Anna Callahan are the two co-sponsors. The only requisites for membership are the rank of junior or senior and the desire to join an organization whose object is to make its members defenders of democracy.

The aims and purposes of the organization are enumerated in a five-fold program. First, to foster the appreciation of our rights as American citizens. Second, to acquaint us with our responsibilities in maintaining these rights. Third, to encourage our patriotic inclinations. Fourth, to promote international goodwill and understanding. Fifth, to bring high school students together in other American Youth League units.

The activities this past year include a panel discussion by A. Y. L. members in a neighborhood grade school, speakers for monthly meetings, five assembly programs, the sponsoring of a movie at the Beverly theater, and the selling of A. Y. L. pins.

Barbara Mulberry, president; Jerry Mordue, vice-president; Bud Tozer, secretary; Lorraine Teninga, treasurer, and the cabinet, consisting of the five committee chairmen, have done their jobs well.

IN CLOSING another year, the Botany Club has marked its success with several outstanding events both in the fall and spring semester of 1939-40.

Fall activities included the narcissus bulb sale, the bow sale, and the annual trip to the Garfield Park Chrysanthemums Show. The club was aided by the untiring efforts of their sponsor, Miss Genevieve Monsch, who retired in the spring and left a post which Miss Bessie Bell amply filled with her interest and helpfulness in the club's development. The highlight of the spring semester was, of course, the long anticipated trip to the Flower Show at Navy Pier.

Louise Ekland very capably led the club as president during both semesters and in the fall she was assisted by Betty Barmore as vice-president; Marjorie Roos, secretary; and Dorothy Fisher, treasurer. The spring semester officers were Jean Gunderson, vice-president; Theresa Bell, secretary; and Marjorie Roos, treasurer.

ONE of the most active organizations of the Student Association is the Empehi News Business Staff. The Business Staff raises enough money, through ads, to help make the Empehi News possible. The Business Staff also sends papers to the other schools on the exchange list and to the alumni.

In the fall, two representatives were sent to the National Scholastic Press Guild Convention held in Chicago at the Stevens Hotel.

During the past year the Business Staff has been managed by Debby Moore, who was assisted by Marilyn Peters. The copywriters were Anita Gilmore and Peggy Storrs, who did a most efficient and accurate job. The bookkeeping was carried on most successfully by Betty Berthold, Cordelia Hayes, Betty Farrington, and Helen Hawk. John Conwell, assisted by Joanne Nicholas, has done an excellent job as Circulation Manager. Audrey Flint, Audrae Jones, and Elaine Allroth have competently sent papers to all our merchants and schools on our exchange list. Barbara Mattson has faithfully taken attendance for the past year as secretary.

In closing, Mrs. Dorothy H. Cella, our faculty adviser, has been responsible for our financial success this year.

ONE of the most active organizations in the school is the Commercial Club. The club was organized in nineteen hundred twenty-nine by Mrs. Ruth Schachtlie, business manager of the club. The club has a three-fold purpose: to render service to the school through the Students' Exchange; to furnish commercial work to any teacher or club; to give the students a broader aspect of the business world and to provide more social life for commercial students.

All students taking commercial subjects and belonging to the Student Association are eligible to join. The club has been under the able sponsorship of Miss Weislander for the last four years.

The officers of the fall semester were: Lois Wirtschoreck, president; Howard Hunt, vice-president; Beatrice Stockdale, secretary; Ethel Fashbaugh, treasurer; John Ulreich, sergeant-at-arms. The spring semester officers were: John Ulrich, president; Virginia Fischer, vice-president; Hilda Stockdale, secretary; Robert Hughes, treasurer; Kenneth Rump, sergeant-at-arms.

EMPEHI NEWS

ANOTHER year has past—another year in which the members of the Empehi News staff have labored to present to the students of Morgan Park high school the best in journalistic endeavor.

In the fall semester of 1939, Ruth Burnet occupied the editor's desk with Dorothy Lou Waggoner as associate editor. Fred Hobe assumed the editorship in the spring and enjoyed the able assistance of Edith Thompson, managing editor. Aided and encouraged by their sponsor, Miss Alma Bauman, the staff members worked to maintain the enviable record set by their predecessors.

A member of the National Scholastic Press Association, the EMPEHI NEWS was represented by eight students at the annual convention held in Chicago during November. In March, 1940, the staff contributed to both the extemporaneous and submitted contests in the annual writing tournament of the Greater Chicago Scholastic Press Guild.

R E L A T I O N S H I P S

April saw six representatives at the annual Medill Conference in Evanston. During both semesters, two staff members conducted a newspaper roundtable on the McKinlock campus of Northwestern University.

Numerous pictures, cartoons, crossword puzzles and other cuts as well as an ever-improving style in make-up contributed to the tasteful appearance of the weekly. A reduction in size was made during the spring semester to allow for an increase in the number of issues. Greater interest was stimulated by five insert pages carrying special feature material.

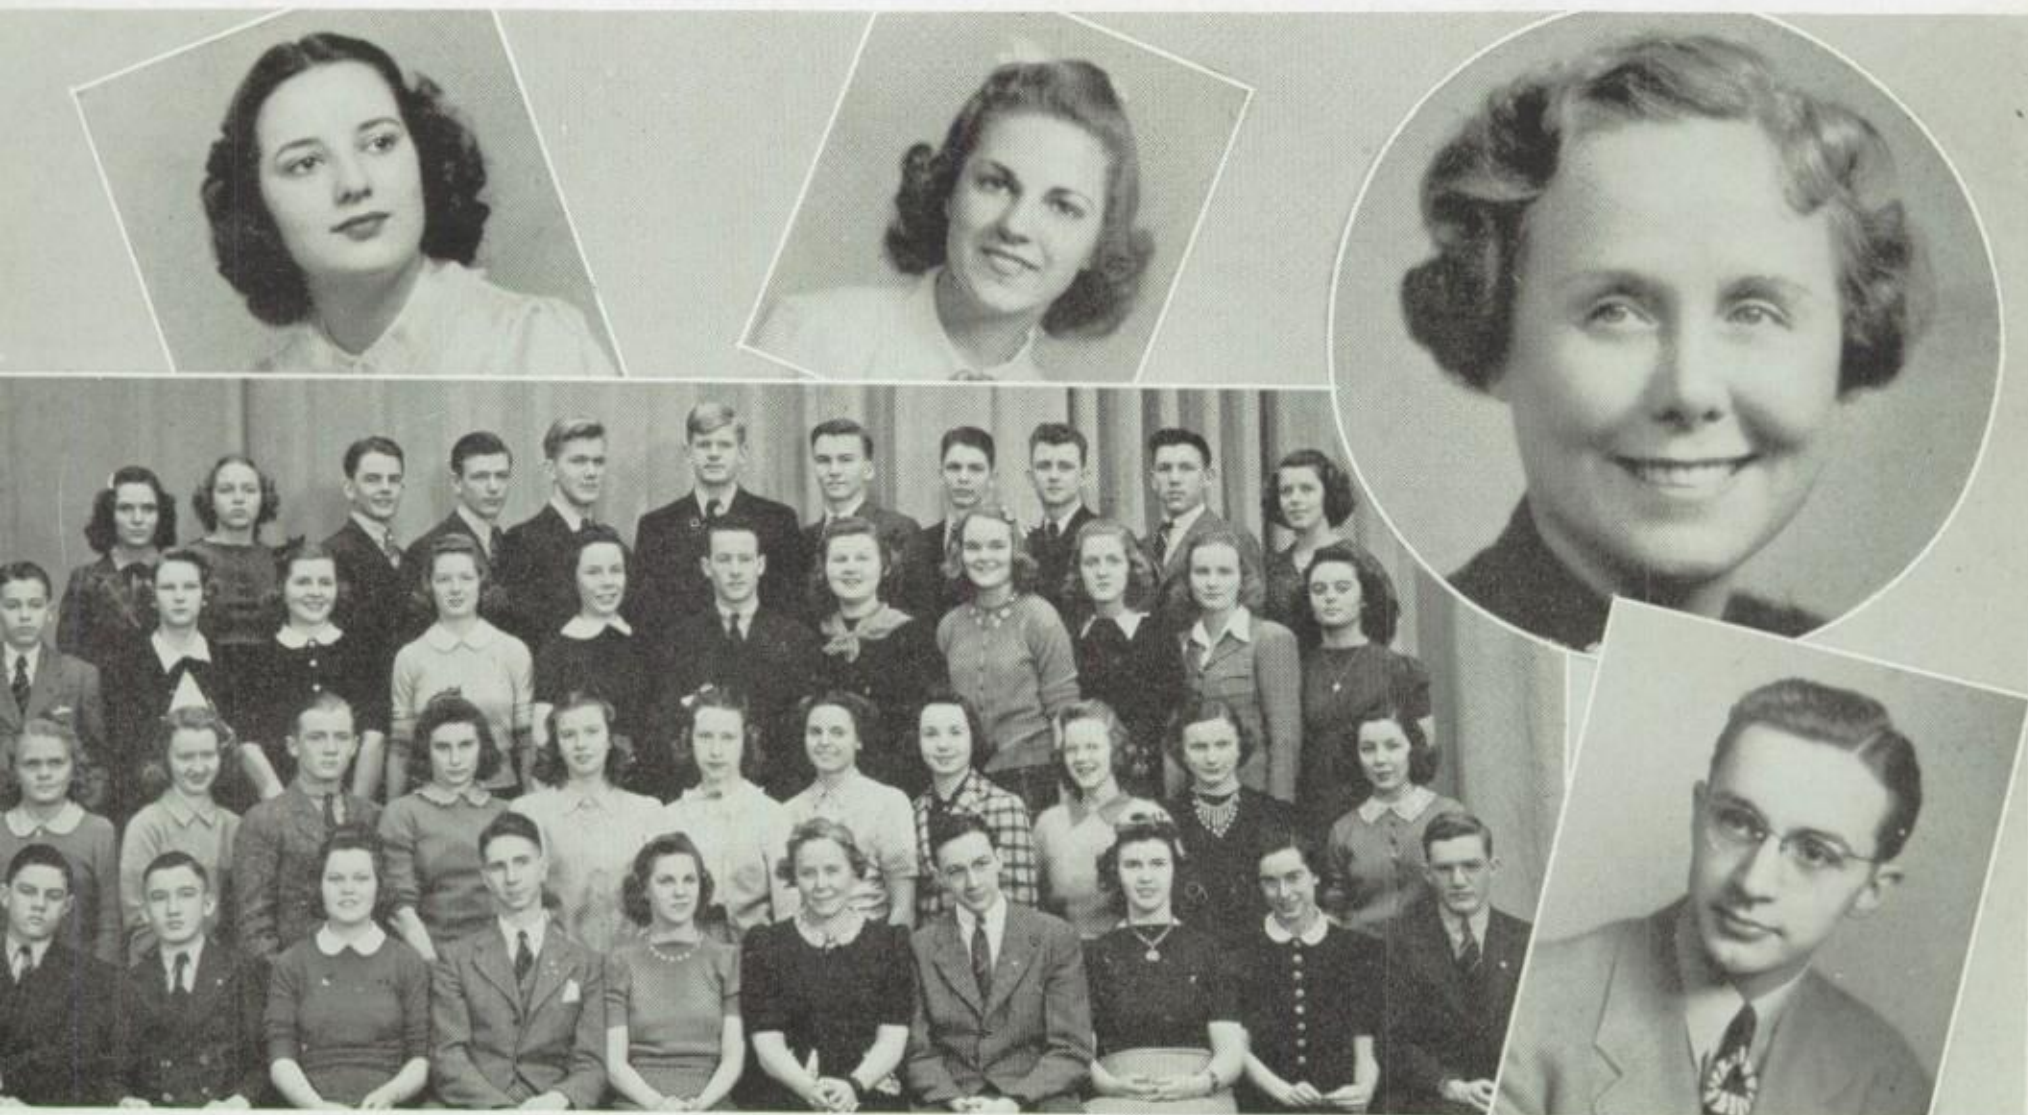

The staff was assisted by Debby Moore and business staff under the sponsorship of Mrs. Dorothy Cella.

THE Fashions of the Hour has completed its fourth successful year under the splendid leadership of Miss Helen Greenfield.

The purpose of the club is to promote an interest in better taste for styles and to create an enthusiasm for sewing. Any girl completing one semester of sewing and enrolled in the second semester is eligible to join the club.

During the past year the club has sponsored the heart sale, celebrating St. Valentine's day, and the presentation of Simplicity and Du Barry patterns by Miss Elizabeth Show at a style show for all Empehi girls. During the later part of June the girls of the sewing classes gave an assembly in which they modeled the clothes they had made. Due to the excellent cooperation of the members, these activities were a success.

The officers of the fall semester were: Mary Friel, president; Frances Barnes, vice-president; Mary Powers, secretary; and Lucille Loving, treasurer. Spring semester officers were: Frances Barnes, president; Audrae Jones, vice-president; Corinne McNiel, secretary, and Anita Martinson, treasurer.

THE purpose of the French Club is to give the members an opportunity to become better acquainted with the customs and language of the French people. French is spoken at the bi-monthly meetings.

With the assistance of the club's adviser, Miss Beulah L. Kemp, the club has accomplished a great deal this past year. Among its activities are two successful bake sales, and an assembly program for the entire student body in the spring semester.

Unusual programs of the past year consisted of an elaborate Christmas candlelight musical program, a dramatic program, and a program of French folk songs.

As speakers, the following were included: Marjory Naylor, whose subject was her recent trip to Europe; Miss Marie Bellinghausen, who told of her summer in France; Mme. Emilie Starz and Mme. Darling, who spoke at the Mother's Tea.

The officers for the fall semester were Barbara Wallace, president; William Pugh, vice-president; Hazel Ekloff, second vice-president; Edith Thompson, secretary, and Grace Wachter, treasurer.

The officers for the spring semester were Shirley Nelson, president; Elwood Shaffer, vice-president; Shirley Franz, second vice-president; Jane Bickel, secretary, and Virginia Coburn, treasurer.

THE Dancing Club was formed several years ago with Miss Rosalie C. Kurz as adviser, to promote and maintain interest in dancing among the girls of Empehi.

To become a member a girl should know how to dance. Tap dancing, ballet, toe dancing, and acrobatic dancing are all represented and have many enthusiastic admirers.

The officers for the fall semester were Nancy Gregson, president; Betty Zarth, vice-president; Fay Trolander, secretary; Agnes Silvestri, treasurer. The spring semester's officers were Dorothy Allison, president; Lois Gilson, vice-president; Virginia Hoffman, secretary, and Agnes Silvestri, treasurer. Miss Felicia Ponte became the sponsor of the club in the spring semester.

During the spring semester the constitution was revised and a new ruling made which would permit girls who could not dance, but who are willing to learn, to join the club. Other members taught them to dance.

Several members are professional dancers and they contributed their help to the club when the assembly was given in the spring semester. The Jazz Band and several vocalists helped present the assembly.

IN June, 1939, a branch of the National Honor Society for Secondary Schools was founded at Morgan Park High School. It was established to create an enthusiasm for scholarship, stimulate a desire to render service, promote worthy leadership, and encourage the development of character in the students.

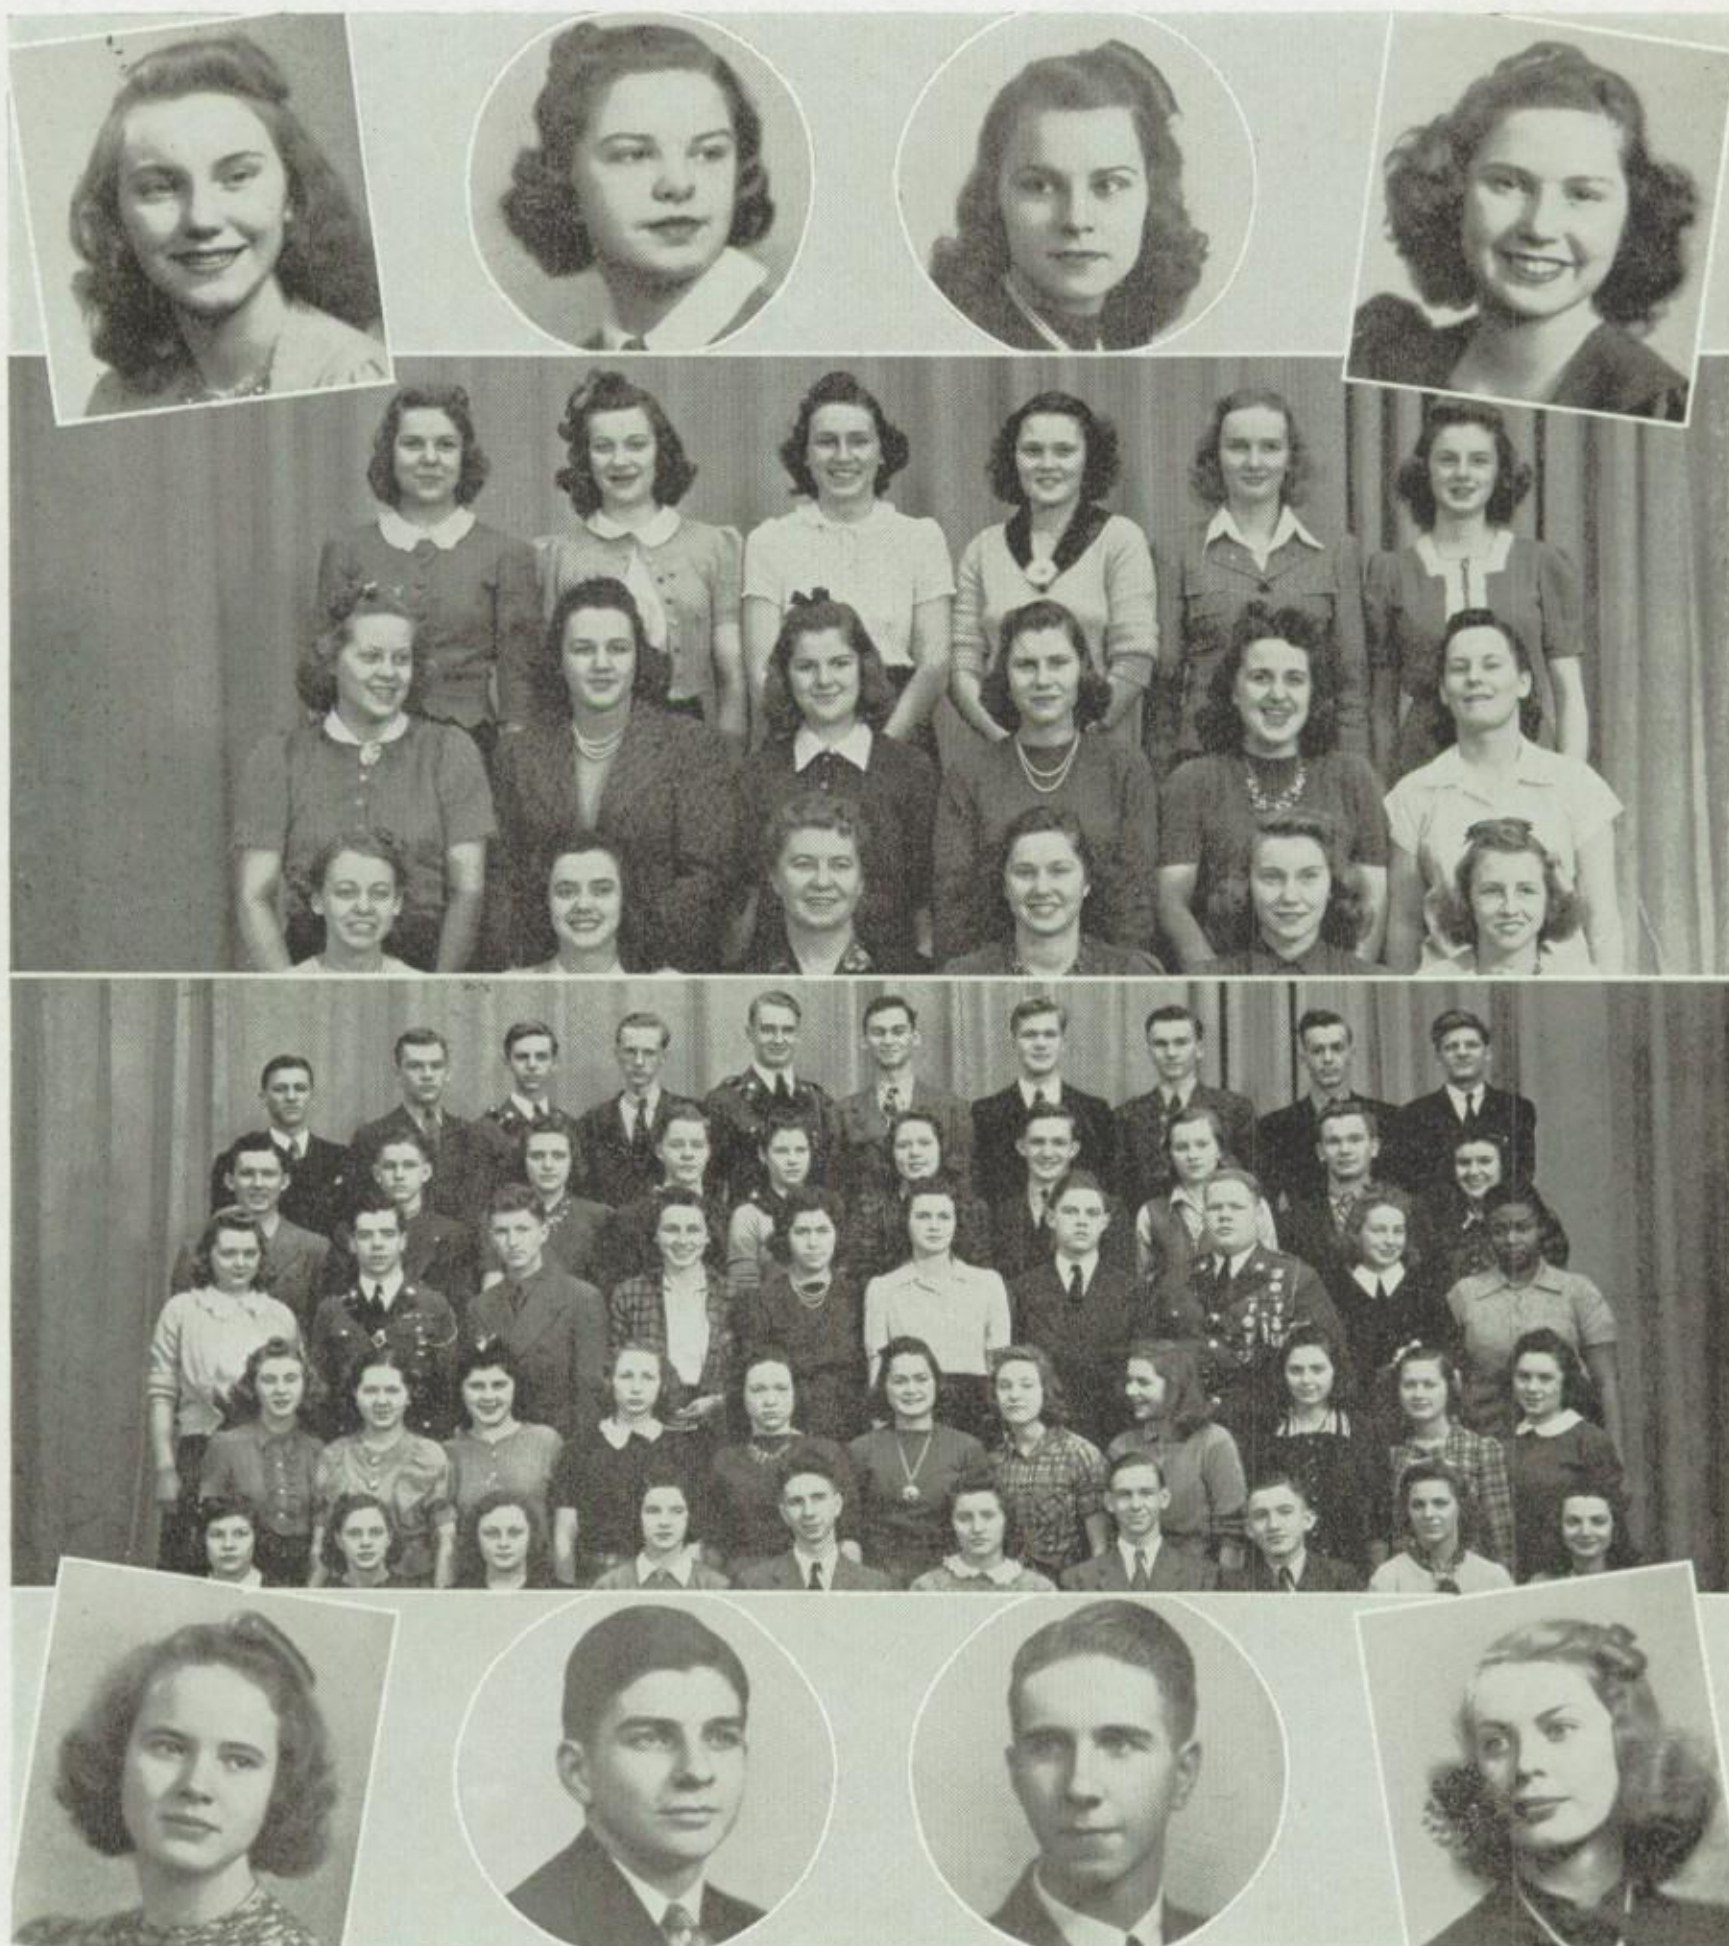

The students must have the following qualifications: the candidate shall have spent at least one semester at Morgan Park, he shall be a member of the senior class, he shall be a member of Tau Epsilon, and he shall have maintained an E average during his first three years in high school, with no grade below G.

The Society has given several assemblies for the purpose of inducting new members into the club. This year it has received a plaque with its insignia in gold leaf on which is to be inscribed the names of all the graduates of Morgan Park who have made Phi Beta Kappa at college.

The officers for the fall semester were as follows: Grace Wachter, president; Ted Mortimer, vice-president; Dorothy Lou Waggoner, secretary; Frances DeBeukelaer, treasurer. For the spring semester the officers were: Charles Savidis, president; Louise Ecklund, vice-president; Lorraine Teninga, secretary, and Warren Smith, treasurer.

THE Human Relations Service Guild was organized in the fall of 1938. The membership at that time was composed of students of the Human Relations classes. Since that time, however, the constitution has been amended so as to include any student interested in service work.

The organization is, to a certain extent, divided into seasons or semesters. The fall semester is composed of the Thanksgiving and Christmas drives. This spring the organization sponsored a sale of Easter seals to benefit the poor. With this one exception, the meetings were like those of any other club, including social meetings, and trips to various places of interest in the city.

Future plans for the Human Relations Service Guild are a monopoly on a student talent benefit performance at Thanksgiving. Also the organization is taking over the Red Cross work in the school.

In February of this year Mrs. Dorothy Cella, the former sponsor and adviser, found it necessary to resign. Mrs. Harriet Brown undertook the responsibility and has devoted a great deal of her time to the welfare of this group.

THIS year "Sodalitas Latina" celebrated its tenth anniversary. The occasion was the club's annual spring banquet, held on or near April 21, the legendary date of the founding of Rome. The club was organized on April 21, 1930, for the purpose of supplementing the class work in Roman literature, life and customs.

The year's biggest job was the distribution of two hundred Latin Club calendars at fifty cents apiece to raise the money for the club's hundred dollar scholarship offered each year to the worthiest graduating club member. The Latin Club, together with the band and orchestra, also sponsored a roller skating party at the Swank Rink on March 25. The club was under the capable guidance of Miss Cora E. Petty throughout the year.

Officers for the fall semester were Lorayne Lipsker, first consul; Ben Clarke, second consul; Dick Nutt, scribe, and Barbara White, quaestor. In the spring the officers were Gerald Smith, first consul; Mary Elizabeth Aldrich, second consul; Marion Batty, scribe, and Bob Spierling, quaestor.

STAGE CREW

RESPONSIBLE for the mechanical success of every assembly, movie, or show presented in Blackwelder Hall as well as the maintenance of approximately ten thousand dollars worth of equipment used in staging productions is Morgan Park's Stage Crew.

Working long after the last bell has rung, often before the first one rings in the day, and during free periods, this group of technically minded students does its upmost to co-operate with organizations so that their respective productions may be the best.

In keeping with the custom of the crew to leave some material improvement for the next year's organization, a seventy-dollar public address system was purchased.

Mr. Elwyn L. Reed was adviser of the Stage Crew during the past year in the absence of Mr. Curtis Hunter. Tom Maver served as manager and he was ably assisted by Charles Jahn.

CONCERT BAND

THE Band, under the capable baton of Captain Guy D. Hartle, has completed another successful year. They have played for the majority of the assemblies presented at the school, and were an outstanding feature of the annual spring production.

In the City Band Contest, the Concert Band received a superior rating for the third consecutive time, and of the nine members who entered the City Solo Contest six of them received a superior rating. They represented Morgan Park in the National Solo Contest. The organization also participated in one of the Parent-Teacher Association's meetings during the year.

In co-operation with the Latin Club, the Band sponsored a very successful roller skating party at the Swank Rink, the proceeds of which were used to buy new music and to repair the school instruments.

The officers during the fall semester were: President, Henry Noetzel; Vice-President, Robert Watkins; Secretary, Barbara Wallace; Treasurer, John Jolly; Librarian, Jack Spence.

R E L A T I O N S H I P S

THE Concert Orchestra is under the direction of Captain Guy D. Hartle. One of the chief purposes of this organization is to give students, who are fine instrumentalists, the experience of playing together.

The Orchestra plays for the Commencement exercises, assemblies, and often for P.T.A. meetings.

In the spring semester the Orchestra entered the Chicago High School Orchestra contest. The results were not known in time to be published in the Annual. Last year the Orchestra received a shield in recognition of its "excellent" rating in the contest.

This year the organization sponsored a movie and a roller-skating party, the proceeds of which were used to pay for repairs of new instruments and music.

Officers for the fall semester were as follows: president, Henry Melin; vice-president, Harriet Brown; secretary, Dorothy McDougal; and treasurer, Robert Spierling.

During the spring semester Dick Brashler was president; Ivan Smith, vice-president; Shirley Franz, secretary; and Beatrice Daly was treasurer.

Upon the completion of seven semesters as a member of the Band or Orchestra, a student is eligible for a major letter in Music.

THE Junior Band, under the leadership of Captain Guy Hartle, was organized to give the students an opportunity for a better understanding of instrumental music before entering the Concert Band.

This year the Junior Band has helped to sponsor a movie and a roller skating party, the proceeds of which were used to buy music and to repair instruments.

The officers during the fall semester were: president, Dan Else; vice-president, Victor Conquest; secretary, Ruth Larson; treasurer, Joan Clay. For the spring semester, president, Henry Toppen; vice-president, George Buckley; secretary, Dorothy Anderson; treasurer, June Christensen.

R E L A T I O N S H I P S

THIS year for the first time Morgan Park has organized its beginners' band into a club-like organization. The name given to it was the Morgan Park High School Intermediate Concert Band. The reason for the organization was the extremely large enrollment this year. There are nearly sixty in the band.

There are seventeen clarinets, fourteen cornets, four French horns, two flutes, one oboe, five saxophones, one baritone, three trombones, one bass horn, and eight drums.

The club elected officers at the beginning of the semester to fill the offices of president, vice-president, secretary, and treasurer. These offices were filled by James Juneman, Grant Nelson, Hazel Eadon, and Betty Caris respectively. The president and vice-president have charge of keeping the band room in order and the instruments "at rest" before practice starts.

It is a fine group and we hope that Morgan Park may continue to have an organized Intermediate Concert Band.

"GOOD neighbors" is the policy through the nation. To inspire friendliness, the activities of the Pan-American Club have been giving Empehi's students a better understanding of our good neighbors who live south of our border.

Helping the club to extend this understanding were several members of Morgan Park's faculty who gave interesting talks or showed colorful movies of their experiences in Pan-American regions. In order to promote interest throughout the school, the club secured through its adviser, Miss Mary Holland, two sound movies from the Pan-American Airways and the National Railways of Mexico. Also highlighting a year's progress was a trip to a Spanish restaurant.

"La presidente" of the fall semester was Virginia Brantner. Ruth Reichart acted as the first vice-president and program chairman. Providing "los refrescos" and holding the office of the second vice-president was Louise Kay. Ralph Olsen was "el secretario" and Peter Jackson "el terrorero". Moving up from the secretary's position, Ralph Olsen took over the presidency in the spring. Virginia Brantner provided interesting programs while holding the office of the first vice-president. The second vice-president was Guyeda Shield. Barbara Wallace wrote "las minutas" in the spring semester and Joe Day was the treasurer.

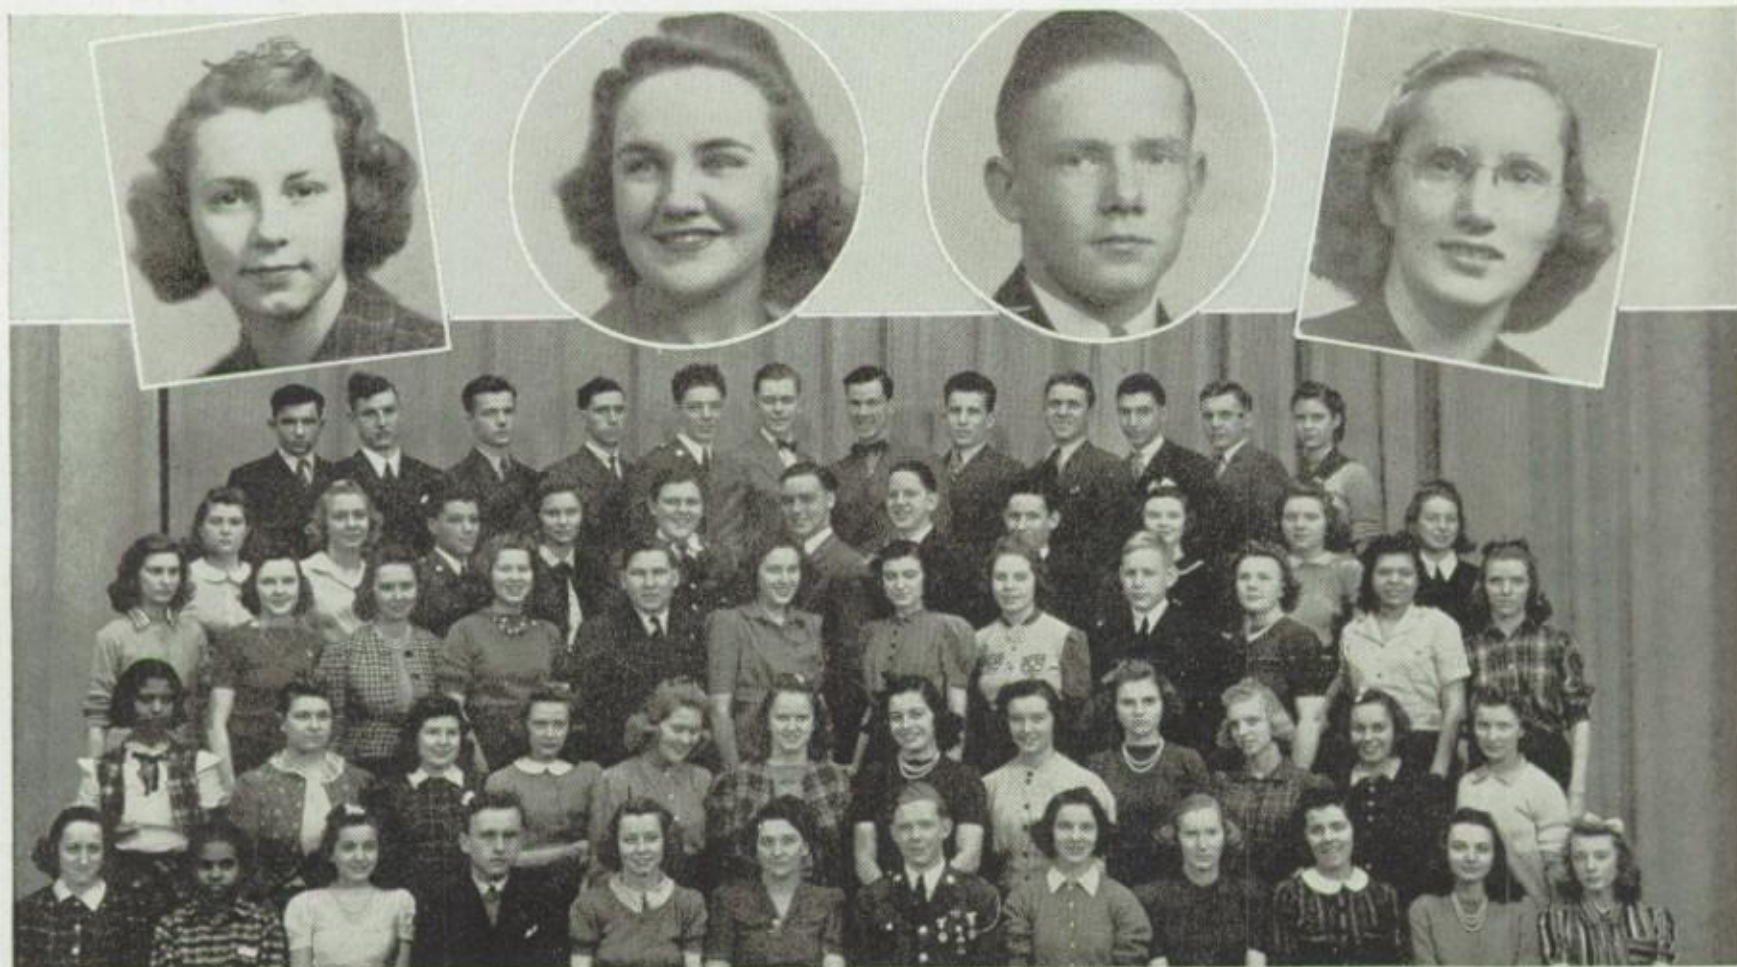

THE Clean-up Committee now conducts its campaign throughout the entire school year, instead of concentrating on the traditional week as it formerly did. Its purpose is to promote cleanliness in the school and to impress upon the students that it is their duty and responsibility to keep their school clean and beautiful.

The officers of this year were Patte Pullar, president; Jimmy Howe, vice-president; Eloise Fisher, recording secretary; Polly Gregson, corresponding secretary; and Tom Rupp, as treasurer. Mr. Edward J. Meyers is their faculty adviser.

The most important project of the Committee is the Annual Rose Sale which produces the funds to finance the campaign. For their fine cooperation in this venture, the committee extends its sincere thanks to the students and teachers.

THIS year the Visual Education Service Bureau has combined with the Photo Staff under the capable sponsorship of Mr. A. R. Gay.

Nearly \$2,000 worth of equipment is employed by the V.E.S.B. in affording educational movies both silent and sound, to all classes. Each of the fifty members of the V.E.S.B. has his or her own important task under the supervision of head secretary, Virginia Dundon, and chief operators, Bill Thomas and Warren Colley. There is a secretary for each period whose job it is to check equipment in and out and see to it that operators get the right machines to the right places quickly and silently.

The ten members of the Photo Staff share the work of preparing pictures for the Empehi News, annual, division records, and personal orders.

MORGAN PARK'S chapter of Quill and Scroll, the International Honorary Society for high school journalists, participated in two nation-wide contests and the Scholastic Magazine competition during the school year 1939-40. An editorial submitted by Quill and Scroll in the National group contest received honorable mention. Quill and Scroll sent representatives to the All-City press guild.

As one of its biggest projects each semester, Quill and Scroll publishes for sale the Empehi Bulletin. In this way funds are secured for the club treasury. The annual press banquet at Mickelberry's in June concluded Quill and Scroll activities for the school year.

Presiding officers during the fall semester were president, Fred Hobe; vice-president, Betsy Henning; secretary, Dorothy Lou Waggoner, and treasurer, Ruth Reichert. In the spring semester officers included Lois Staffelbach, president; Charles Savidas, vice-president; Barbara Murray, secretary, and William Bell, treasurer.

THE Zoological Club has successfully completed another instructive and enjoyable year under the supervision of Miss Bessie Bell.

Two interesting assemblies were presented by the club. At one of the assemblies a representative from the Academy of Science spoke and at the other, Sam Campbell, a naturalist and lecturer, presented movies of animals.

The annual trip to Turkey Run during spring vacation proved pleasant and instructive, as usual. A good time was enjoyed also at the International Live Stock Exposition.

Regular meetings were held every other Tuesday during the ninth period. Several interesting speakers presented at these meetings included Mr. Hall, who spoke on his hobby of raising bees, and a man from the Society for the Prevention of Cruelty to Animals.

The officers for the fall semester, Molly Abbott, president; Louise Eklund, vice-president; Robert MacGonigal, secretary; and Beverly Akenhead, treasurer, set high standards in the performance of their duties. The officers for the spring semester, Robert DeRose, president; David Katzmann, first vice-president; Alice Wilhelm, second vice-president; June Ekloff, secretary, and Beverly Akenhead, treasurer, have done equally well.

TAU EPSILON

TAU Epsilon, Morgan Park's oldest honor society, was founded in March, 1924. The requirements are a minimum of eleven grade points with no grade below G, and at least four honor points. An honor point is given for each E or S, for holding offices in various school organizations, and representing the school through its activities. A student must renew his membership every semester.

Graduating seniors who have been in Tau Epsilon for seven semesters are presented with awards, usually in the form of pin guards. The three highest graduating seniors have their choice of a pin or a book presented by the club.

Among Tau Epsilon's activities this last year were two movies at the Beverly Theater, one through the Board of Control, and the other in conjunction with the A. Y. L. The faculty sponsors are Miss Eugenie Mackin and Miss Meroe Conlan. Jack Sheehy headed the Publicity Committee for the spring semester. Programs for the meetings were arranged by the Program Committee, headed by Roger Wooley. The officers for the fall semester were Walter Michel, president; Lorraine Teninga, vice-president; Jack Spence, secretary, and Margaret Smith, treasurer. Barbara White, president; Dick Nutt, vice-president; Marilyn Mikesell, secretary, and Bud Tozer, treasurer, for the spring semester.

SCIENCE AWARDS

FOR the past few years the science department of Morgan Park High School has awarded the Science Medal to honor students. Under the supervision of Mr. Gay, two seniors are chosen a year, one for each semester. The qualifications of the candidate are that the student must have had three years of science studies, two of which must have been laboratory sciences, and two years of mathematics containing algebra and geometry. The student having the highest standing for the period is suggested for the award. If there is a tie for scholastic standing in science, mathematic grades then become the determining factor. The two highest for this past school year were Hazel Ekloff, of the February class, and Blake Hooper, of the June class. Hazel and Blake are both "S" students and have worked hard for this honor. The award is a bronze plaque attributed to the honor student by the Bausch and Lomb Optical Company.

PARENT- TEACHERS' ASSOCIATION

A CONGRESS parent-teacher association has for its purpose the promotion of the education and welfare of the children and youth.

The ideals and purposes expressed by the founders of the organization 42 years ago are still the aims of the organization today. In the first years of parent-teacher work the promotion of the education and welfare of children and youth was concerned with material needs mainly and took the form of material gifts. The trend of today's promotion is to develop public opinion so that each community will meet its own responsibilities.

With that in mind, we of the Morgan Park Parent-Teacher Association particularly stressed the departments in Parent-Education, School Education and Student Employment.

Also, this year, we have had the largest membership in the city and the largest number of fathers even though we have the second smallest high school in the city.

The success of our work this past year was made possible through the splendid co-operation of the Board members and supported by their committees, teachers, students and parents.

THE CLISSOLD BRANCH

MUCH has been accomplished by the Student Association of the Clissold Branch the past year. The fall semester of the S.A. was under the leadership of Don White, president; Margaret Greenman, vice-president; Carl Lee, secretary, and Laura Gene Over, treasurer. In the spring, Barbara Fowler took over the office of president while Ray Jones, Lorraine McClelland, and Joseph Branit took the respective positions of vice-president, secretary, and treasurer. The year's work consisted of the following: sponsoring of several new clubs, carrying on the work of the Student Council and Court, and presenting numerous and enjoyable assemblies, socials and plays.

A fine feeling of co-operation and a spirit of friendliness prevailed throughout the year.

MORGAN PARK'S athletes have given everyone of us something to be proud of this year. Our old records have been broken and new, better ones have been set by an excellent staff of fleet, tough, and courageous athletes.

In football, one of our boys was chosen for the all-section team, and in basketball two players received the all-section rating. In wrestling we sent three boys to Champaign to the state meet and took two state second places. While our 135 point wrestler fought his way to the city championship, Empehi's golf team won the city championship for the second time in three years. The junior swimming team is as good as ever. Last year's basketball team went to the play-offs for the city championship and this year's team has a good chance. The track team looks very good but hasn't been tested yet. The tennis team has an excellent chance with the three veterans returning and one of these a national junior doubles champ. The bowling league turned out a team which was the best in the city. Due to the fact that their handicap was so low, they didn't have much luck in the city championship matches. We, the sport fans of Morgan Park, congratulate the athletes on their great success this year.

ATHLETIC LEADERSHIP

Mr. McGregor

Mr. Antonides

Mr. Taylor

UNDER the guidance of three expert coaches, Empehi's athletic teams rose to stellar heights during this past year. Robert Antonides piloted the football, wrestling, and late in the season, the swimming teams, Duncan McGregor headed the heavyweight basketball and baseball departments, and Tom Taylor coached the lightweight basketball five, the swimming squads for the first part of the season, the golf, tennis, and track teams.

"Butch" Antonides, eleven years at Morgan Park, led his gridiron squad to victories over all the contenders for the South Section championship but the Fenger Titans. The grappling team also went places in city competition, defeated only by Crane Tech in the quarter finals.

Duplicating the wrestling team's performance, Coach McGregor's heavyweight hardwood quint reached the quarter-finals before meeting defeat. McGregor, who came to Empehi in 1936, brought his team up to second place this season.

In 1939, the Mustang baseball nine won honors by reaching the playoffs for the city championship. The outlook in 1940 for Morgan Park's diamond future is bright, for the able hands of Coach McGregor could easily fashion a winning squad. With two first-string men back and several substitutes to fill in most of the vacancies, the pitching staff is the only doubtful spot.

Coach Tom Taylor, during his first year as coach of the golf team, brought Empehi another city championship of the links. The tennis, track, and swimming teams also benefited under his guidance.

EMBLEM CLUB

DURING the past year the Emblem Club, under the capable leadership of Jim O'Dell, has been active about the school giving service wherever possible. This group, composed entirely of boys who have earned major emblems in some sport, has undertaken to keep order in the west lunchroom, where two tables are reserved for this organization. Gym officers have been provided to offer general help in both gymnasium and locker room. During the past year the Emblem Club has given two fine assemblies. Members of this group have co-operated by acting as hall guards 6a and 6b periods, by selling tickets to all football and basketball games, and by acting as door guards and bleacher crew for all sports events. For the purpose of promoting school spirit the boys have made appliques showing a mustang, with the word "Mustangs" printed beneath. The primary aim of the club is to aid in promoting Morgan Park's extensive intra-mural sports program, thus interesting every boy in some athletic endeavor.

It is the object of each Emblem Club member to bring fame and honor to Morgan Park both on and off the athletic field, in every activity, be it scholastic or athletic.

The work of this organization shall always be directed toward seeing that the colors of Morgan Park are established in their rightful position, at the top.

MORGAN PARK 0—BLOOM 6

In this, the initial game of the season, Morgan Park's team was light and inexperienced for the most part. Despite these handicaps they let a superior Bloom team know that they were in a fight. The most spectacular play featured Bob Telander in a brilliant run that netted the "green and white" 62 yards. Warren Yaap led the backfield in net gains while Howie Heckman's blocking ability helped keep Bloom's score to a minimum.

MORGAN 18—THORNTON 0

Slightly more experienced and seeming to hit their stride, the Mustangs defeated a rather befuddled Thornton team. The touchdowns were scored by Bob Telander, Warren Yaap, and Fritz Minuth. However Ed Hedrick's block of a kick, Clarence Armstrong's recovery of a fumble, and Warren Yaap's unerring passes, were instrumental in all three scores. Due to a leg injury received in this game, Dinny Sproul was unable to participate in the remaining games of the season.

MORGAN PARK 13—ELGIN 6

A decisive battle in this final practice game of the season, ended with Morgan Park the victor, and prepared our eleven for its regular schedule of league competition. Although offside penalties kept Morgan Park's score down when two long runs by Warren Yaap were called back, Don Bruesch came through with a thrilling 55-yard run which resulted in a last minute victory.

★ MORGAN PARK COMPLETES A

THE CALUMET GAME

With two practice wins behind them, the Mustangs began their league schedule in a typical Calumet game. Mainly through the efforts of Warren Yaap, we succeeded in scoring touchdowns in the first and third quarters. However, due to the costly fumbles and bad kicks, Empehi's goal was crossed in the second quarter but remained untouched the rest of the game. Because of the two preceding victories the student body was very enthused and turned out a thousand strong.

MORGAN PARK 26—BOWEN 0

At the sound of the referees' whistle, a well organized Morgan Park team immediately took the offensive in the contest against Bowen, through the use of dazzling plunges and tricky reverse end plays. Bob Telander played exceptionally fine football and the Yaap-Hedrick combination clicked repeatedly despite the efforts of a desperate Bowen eleven. The experience gained in this game proved to be a great asset in the games that were to follow.

MORGAN PARK 18—HIRSCH 6

Backed by four victories, a very confident Mustang eleven marched through a not too strong Hirsch defense. The pigskin took to the air, and with deadly accuracy, was effective in scoring all three touchdowns. Outstanding aerial artists of the day were Fritz Minuth and Warren Yaap, while pass snaggers of note were Ed Hedrick, Buzz Hillman, and Julie Schmitt. Gains of twenty yards were frequently made, aided by the superior blocking of Johnnie Durrant and Frank Karge.

SUCCESSFUL FOOTBALL YEAR ★

MORGAN PARK 0—FENGER 31

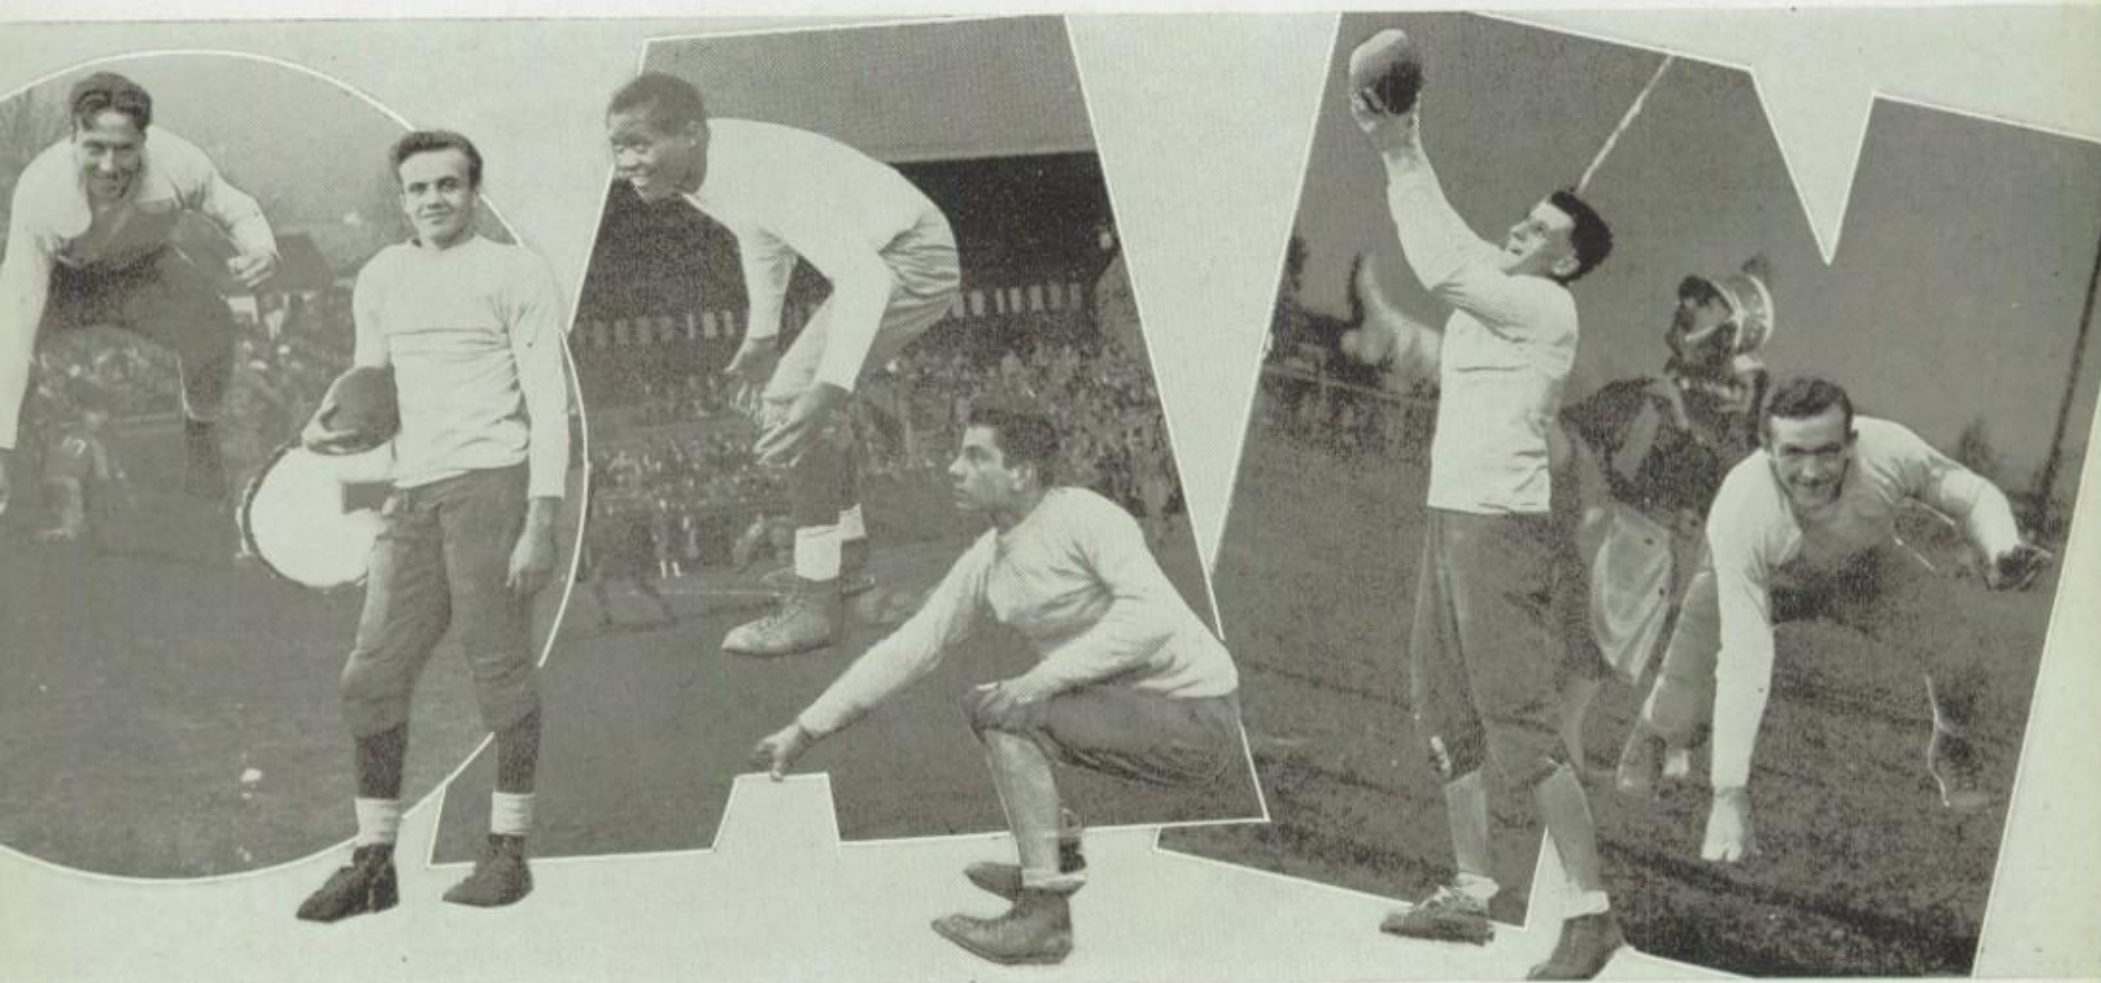

A mid-season defeat was experienced by Morgan Park at the hands of Fenger's championship team. The one bright spot in the game was Fritz Minuth's defensive tactics, and spirited encouragement, and thus he earned the title of Morgan Park's outstanding player. Although not outplayed, Empehi's hard fighting team was greatly outweighed, which partially accounted for the lopsided score, Ed Hedrick and Warren Stromberg, the mainstays of the line defense, endeavored to protect our goal but were sadly overpowered by charging Fengerites.

MORGAN PARK 11—HARPER 0

Slightly chagrined, but none the less confident, Morgan Park entered the only game of the season to be played in the Armory with splendid showing of student support. The first quarter yielded three points for Empehi by virtue of Frank Karge's field goal. An early advantage was given the Mustangs in the recovery of fumbles by Frank Karge and Johnnie Durrant. Passes were frequently intercepted by both teams but the game was decidedly the Green and White's

The marvelous snagging of a pass by Fritz Minuth further substantiated Morgan Park's cause. A touch-back later in the game, suffered by Harper, decided the final score.

MORGAN 7—PARKER 0

The game was played on a rainy day with the muddiest field ever encountered by Morgan Park. Despite several scoring threats by Morgan Park, no points were garnered until the last two thrilling minutes of the game. As the close of the game drew near, the ball rested on Parker's thirty-yard line. The crowd, thinking no score possible, had already begun to disperse. However, our valiant Mustangs lined up for a last desperate attempt for a score, and as the ball was centered, Ed Hedrick streaked through the defense, blocked the attempted kick, scooped up the elusive pigskin and galloped twenty yards to a touchdown for victory, and the only score of the game.

MORGAN PARK 20—PULLMAN TECH. 6

Outstanding in his last game for Morgan Park, Captain Fritz Minuth tossed a twenty-nine yard pass to Buzz Hillman for the first score, and later scored a touchdown himself. Bob Telander scored in the final quarter of the game after Durrant blocked a kick, and Ed Hedrick recovered a fumble. Julie Schmitt, at quarter-back, played super-smart football. Consequently as the gun went off ending the season's last game, we find Empehi terminating a very commendable football season.

CHIEFLY responsible for this highly successful season and usually in the starting line-up were: "Fritz" Minuth, captain, quarterback, and main spark of the team, whose brilliant headwork was the means of getting the team out of many a tight spot; Bob Telander, whose outstanding line plunges provided countless thrills for the onlookers; Warren Yaap, whose unerring passes and dashing runs were instrumental in many of the scores; Don Bruesch, whose spirited end runs and daring reverses netted the "Green and White" many a yard; these constitute the regular galloping backfield of the Empehi eleven. The regular forward wall of the Mustangs that made possible so many of the successful plays was composed mainly of "Buzzy" Hillman, who never failed to hang to those bullet-like passes, tight spot or otherwise; "Phil" Dickenson, whose superb blocking was the means of stopping many a would-be tackler; Warren Stromberg, who was a veritable "mountain of defense" and seemed always to be in on the tackles; "Eddie" Hedrich, whose deadly tackles stopped many an opponent before he ever got started; John Durante, whose consistently good blocking accounted for much of the efficiency displayed by the team; Clarence Armstrong, whose excellent pass-snagging played a large part in many of the games; Howie Heckman, whose perfectly executed blocks were a decided contribution to the outcome of the team; Frank Karge, whose solid tackles "nipped in the bud" many an opposing "yard-gaining crusade", and "Mike" Boorman, next year's captain, whose accurate and snappy center passes always got our backs off to a good start.

Although these boys did most of the playing and received the most compliments and congratulations, most people overlook the fellows that worked just as hard and desire just as strongly to be on the squad, "the fellow on the second string". At all the games he can be found eagerly awaiting the call of his name which will mean that at last he is to play. Falling into this category are: Jim O'Dell, Ivan Smith, Rawley Handbury, "Si" Schuffert, Julie Schmitt, Bob Martin, Bert Kullerstrand, Ralph Kruger, Keith Walker, Emmett Curme, Jack Powers, and "Doug" Grange. To these boys who, without gaining any recognition but who gladly took the place of the regulars often, we owe much gratitude.

You in the grandstands, watching eleven fellows working as one, seldom realize the grueling practice, the long sessions of practicing fundamentals and the countless number of scrimmages during six hard weeks of practice that go into the development of the team.

HEROES OF THE GRIDIRON

★ OFFER OPPONENTS

LIGHTS

FIRST ROW: Wilson, James, Trep-tow, Coach Taylor, Miller, Krich-baum.

SECOND ROW: Holle, Bievin, Nagle, Wooley, Graper, Oehner.

THIRD ROW: Powers, Wall, Farrington, Wilson, McClure, Nolan, Correll, Hayes.

HEAVIES

FIRST ROW: Hughes, Murphy, Farrante, Ward, Gascoigne, Kerns, Larned.

SECOND ROW: Hacksley, Rump, Adler, Nierman, White.

THIRD ROW: Durant, Buckley, Hill, Moline, Boockford, Gill.

OUR 1939-'40 basketball teams have just seen a very successful season. Under the expert coaching of Duncan McGregor, the heavies went all the way to the play-offs for the city championship, while our lights, under Tom Taylor, ended up in a three-way tie for third place in the section.

Up to the play-off games our heavies had lost two games. Hirsch, the section champs, and Calumet each beat us on heart-breaking shots in the last minute.

When the season ended, Morgan Park and Calumet were tied for second place in the section. Morgan Park played Calumet again and this time we won second place.

Wendell Phillips High beat us in the championship play-offs by 11 points, winning 35-24.

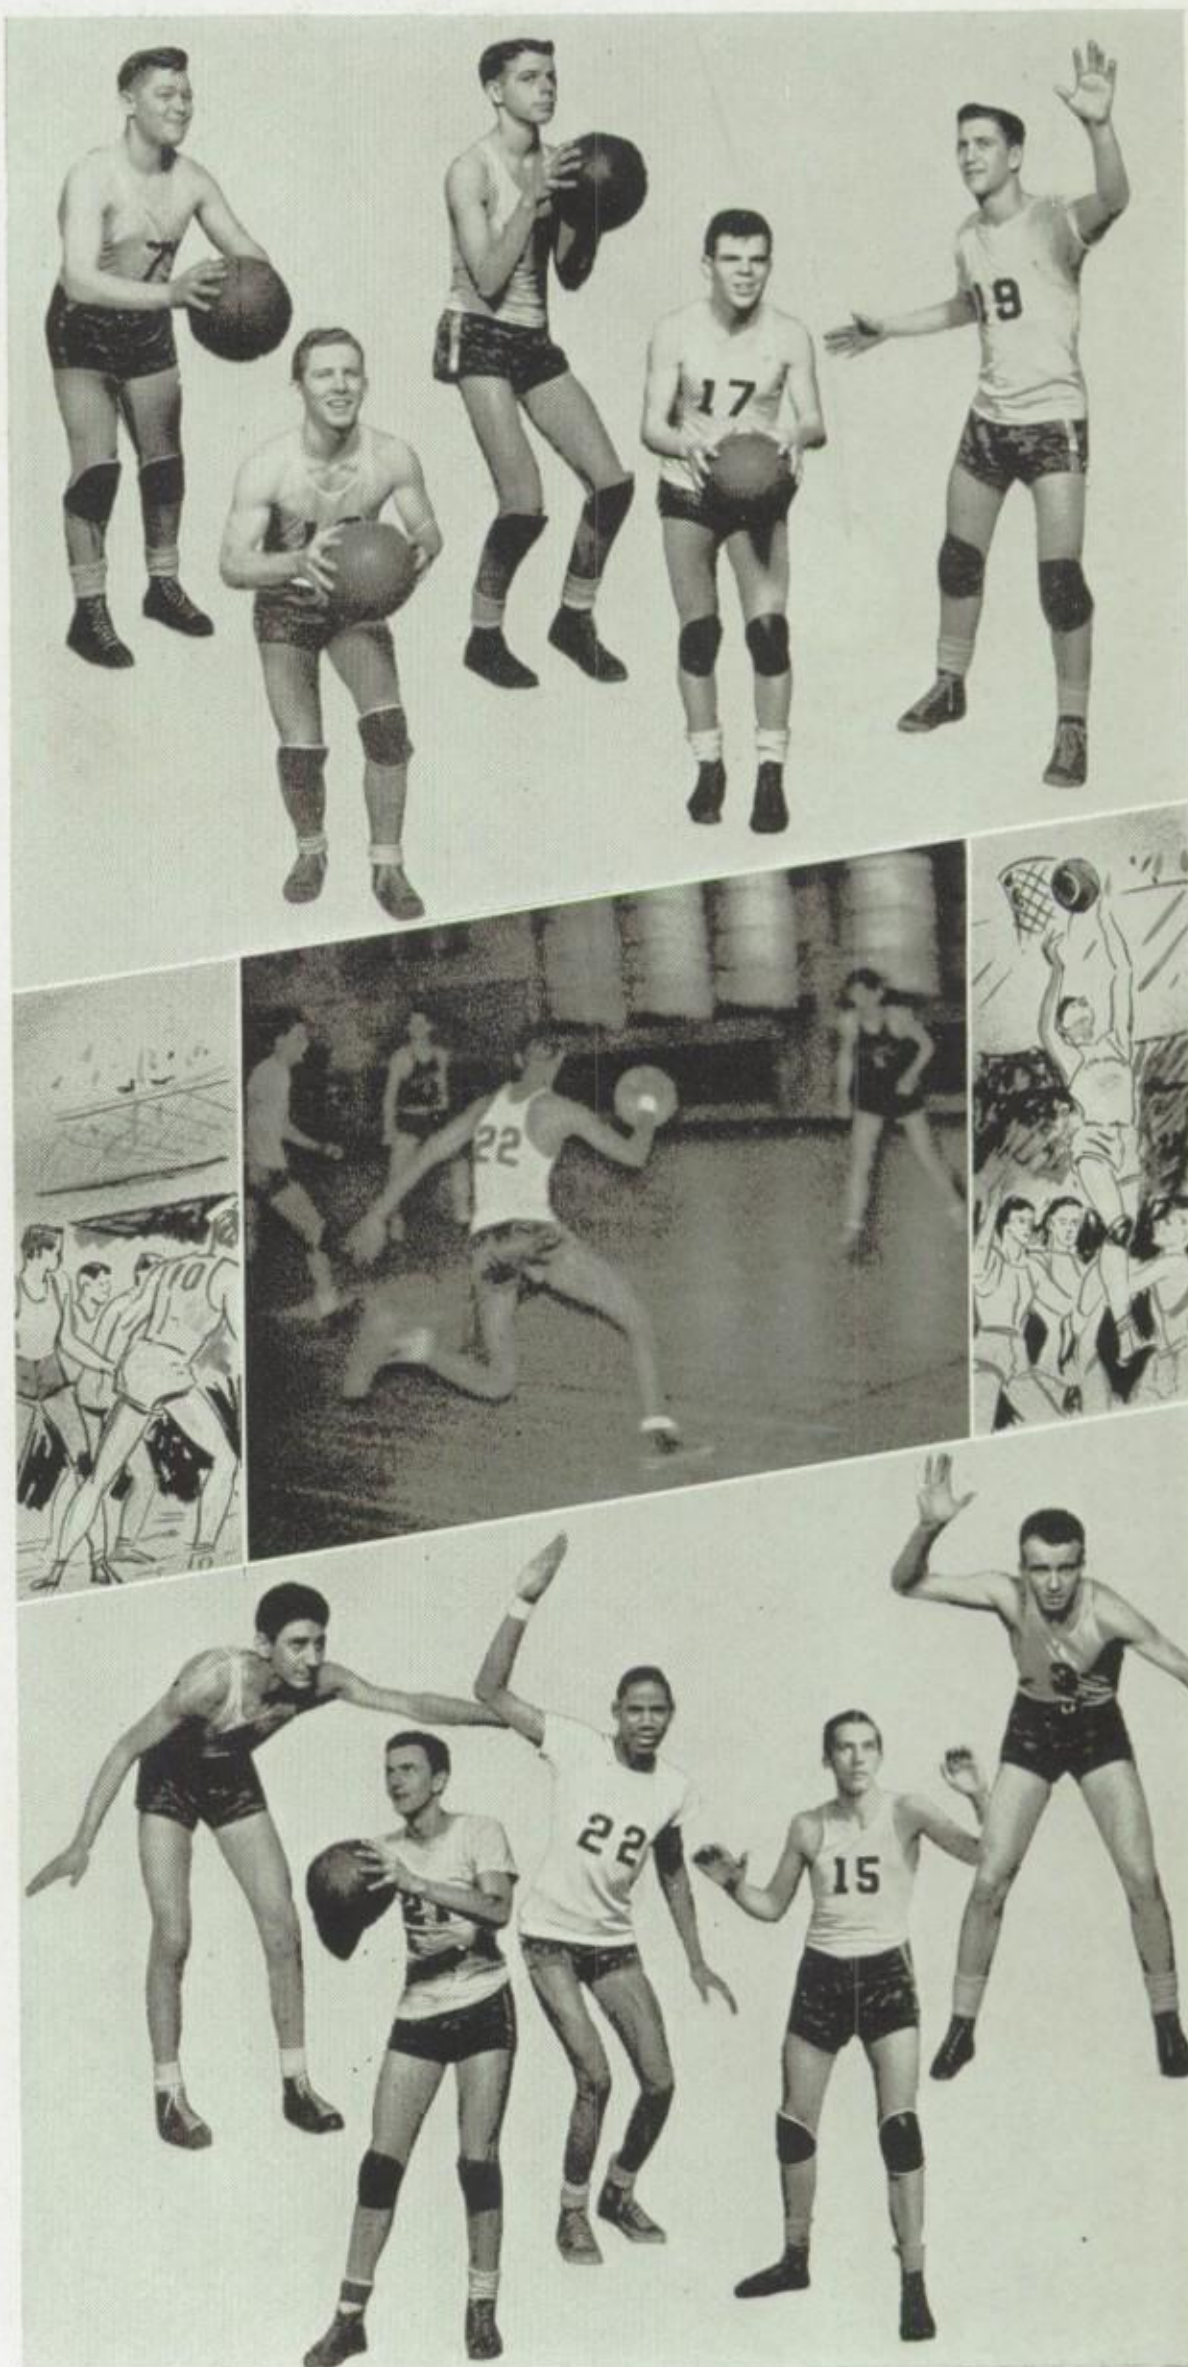

The lights had the smoothest working team we've seen around here but due to a little hard luck they couldn't seem to click.

BASKETBALL

EMPEHI CAGERS

RUSS KERNS, first on our list of heroes, is noted for his miraculous one-hand corner shots. He was one of the two players from Empehi who were voted the best in the section. Dick Miller, the other, was the spark-plug of the team with his lightning speed and precise passing. Co-captains Murphy and Gascoigne, forward and guard respectively, put life and solidness into our heavies. Bob Van Etten, captain of the lights, played a beautiful game until the business world recognized his genius and took him away from us. "Big Mike" Farrante proved, by his long shots, to have a telescopic eye. Russ, "Kris Kringle" Krichbaum seems to have been born with the knack of reading minds; Russ was able to get us many points by his ability to tell where the other fellow was going to pass the ball and then to be there when he did. Irving Ward, our brilliant long-shot center, was judged one of the best players in the section. Gardner Larned, a newcomer to the squad, soon became one of the high-point men. Bob Alcock was always in the thick of the fight and proved a credit to the team. Bob James and Jim Wilson, both great assets, were also responsible in part for our good record.

BASEBALL

BASEBALL, like many other sports at Empehi, is always fairly successful. In the 1939 season, Morgan Park's diamond squad attained heights seldom reached by a Mustang team.

One day in the summer of 1939, nine boys from Empehi took the field against an equally successful Crane Tech team in the playoff game for the City finals. Led by Bernard Yursis, veteran hurler of Morgan Park baseball stardom, our team fought a losing battle for seven innings in an attempt to stop the hard-hitting Tech lineup. The Central Section squad proved too much for the Green and White.

Morgan Park's play-off tilt followed a good season, with eight wins and only two losses recorded for the Mustang squad.

Losses came only in games with Parker and Hirsch, while the valiant Empehites took the rest of their contests in the South Section competition.

At the time of this writing, the outlook for Morgan Park's 1940 section pennant chances are bright. Pitching seems a settled problem as the discovery of rookies Mike Ferrante and Johnson filled the mound jobs excellently.

FIRST ROW: Ferrante, Kerns, Davis, Kuikman, Miller, Krichbaum, Ballentine, Chaopell, Richardson.
SECOND ROW: Hayne, Commello, Haxby, Schmitt, Rump, Baldrige, Blanchard, Meade, Mathias, Hilbrecht, Deveney.
THIRD ROW: Wehle, Waxstein, White, Nierman, Harper, Gruener, Johnson, Brudd, Nagel, Crow.

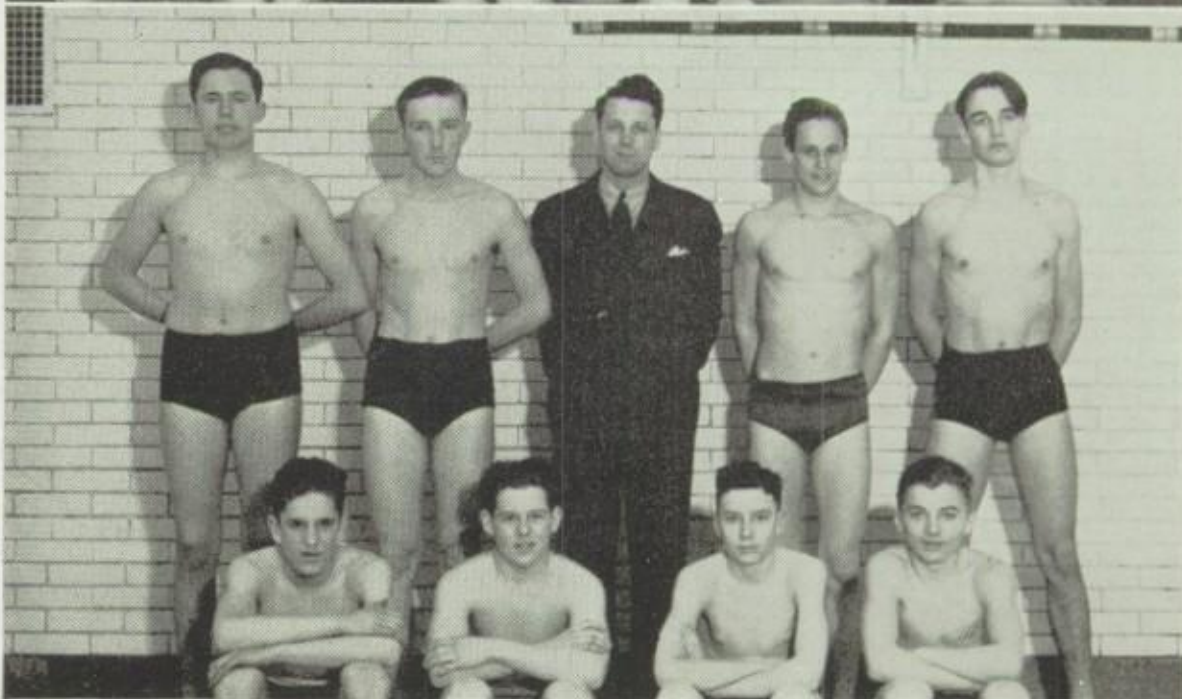

SENIOR SWIMMING

ROW 1: Lee, Minard, McKay, Douglas, Gosswein.
ROW 2: Rutherford, Henderson, Coach Taylor, Blakeman, McGonigle.

JUNIOR SWIMMING

ROW 1: Horbath, Krause, Boyd, J. Douglas.
ROW 2: Thayer, Pringle, Coach Taylor, Graef, Herrod.

THIS year, as in recent years, the Junior team was one of the outstanding teams in the south section. Due to the ineligibility of two of the most excellent swimmers of Empehi, the Juniors were not as successful in later meets as they were at the beginning of the season. The spark plugs of the Junior team were Bob Graef, free style; Paul Skipworth, breast stroke, and Bill Thayer, back stroke. Ed Douglass, while swimming with the juniors, was an outstanding swimmer, and upon turning senior he kept up the good work.

The Senior team although not very successful during the season came through in the city meet held last April at Roosevelt High School. Lloyd Blakeman showing the greatest improvement of the season, placed fifth in the 200 yard free stroke. Ed Douglas, Dave Minard, Bob McGonagil and Loyd Blakeman composing the regular team placed fifth.

WRESTLING

THE opening meet of the grappling season proved to be an overwhelming victory for Morgan Park with a score 33-13 against an invading Parker team. The following week, Hirsch's second string mat boys were properly trounced by the "Green and White" in a match which ended in a partial whitewash and a score of 46-16. The third of the wrestling meets proved to be another lopsided victory with M. P. coming out on top with a total of thirty-one points to the struggling Fengerites' tally of fifteen. The state preliminaries were entered by ten members of Empehi's first string wrestlers of whom were Joe Thomas, 135 pound city champ, Johnnie Durrant and Don Bertossa, who qualified in the State and City Finals. Other members who were less fortunate in the outcome but none the less outstanding as experienced wrestlers, were: Bill Pugh of 125 pound class; Jim O'Dell, heavyweight; "Harpo" Carrol and Joe Copeland in the 155-175 pound weights respectively. Following the state preliminaries, came the over-confident Bowen "Grunt and Groan" champs who fell to the conquering Mustangs in a thrilling finish of an even match meet by a score of 23 to 21. After this close victory Empehi's matmen entered into combat with the powerful Calumet team for the title of South-Section Champs. Empehi suffered its first defeat of the season to the tune of 23 to 21. The Calumet squad, took the meet and the South-Section Championship. The season ended with Morgan Park having shown their ability to match skill and power with the best teams of the city.

Capt. Pugh (on top)

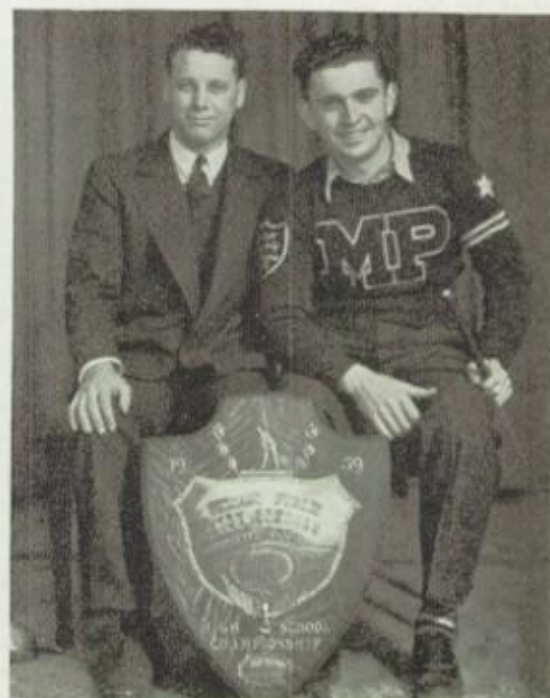

FIRST ROW: Bertossa, Pugh, Carroll, Copeland, O'Dell, Durrent, Davis, Telander, Jenkins.
SECOND ROW: Carpenter, Power, Cioni, Blakeman, Armstrong, Holle, Rumens, Bliss, Bushnell.
THIRD ROW: Blanchard, Bornemann, Nelson, Roblaff, Ewing, Kullerstrand.

ATHLETIC LEADERSHIP

UNDER the expert coaching of Mr. Tom Taylor, Morgan Park's traditionally great golf team has won its second city and third section championship in three years. In 1937 the golf team, paced by Captain Bill Bradner, brought us the city golf championship for the first time in our school's history. Due to the stellar playing of Captain Ray Orwick, Bob Henry, Joe Azzarello, and Bob Martin, Morgan Park has captured that coveted title.

Ray Orwick, our number one man and captain, was a steady destroyer of other school's title hopes. Bob Henry was number two man and the low scorer of the championship match. He could always be depended upon to turn up just a few strokes lower than his opponent. Joe Azzarello was our powerful number three man. His drives between 250 and 300 yards every try, and his excellent green-work, brought us many points. Our number four man would have been a credit to any team. Bob Martin was the only member of the team to chalk up the maximum number of points in every match. In the city championship matches the Mustangs defeated Schurz by a score of 10-2 before nosing out Senn $7\frac{1}{2}$ - $4\frac{1}{2}$. In the final match against Lindblom, our boys came from behind and the city championship by a score of 7-5. We may well be proud of our golf team,—the Champs!

BOWLING

FINISHING its third consecutive year, Empehi's bowling league under the sponsorship of George G. Grasshoff again left its mark on the city's season records. Winning 42 out of their 63 league contests, the Zephyrs outclassed any other team in the city so far as averages are concerned. The whole league felt the power of the Zephyr pin shooting abilities in an early season streak which netted the Zephyrs ten consecutive wins.

Far from the success gained by the Rugcutters in the sectional playoffs, the Zephyrs were stopped in the first round of the elimination playoffs by the Micky Finns of Hirsch's Cheltenham league. High in Empehi's league, the Zephyr team series of 2963 holds second in the city standings, their record-breaking single game of 1065 ranks third in the city. Bob Zins' 624 series withstood the season's firing for the individual series mark. Bob Martin and Charles Baldridge deadlocked for the high individual game by toppling the maples for 236.

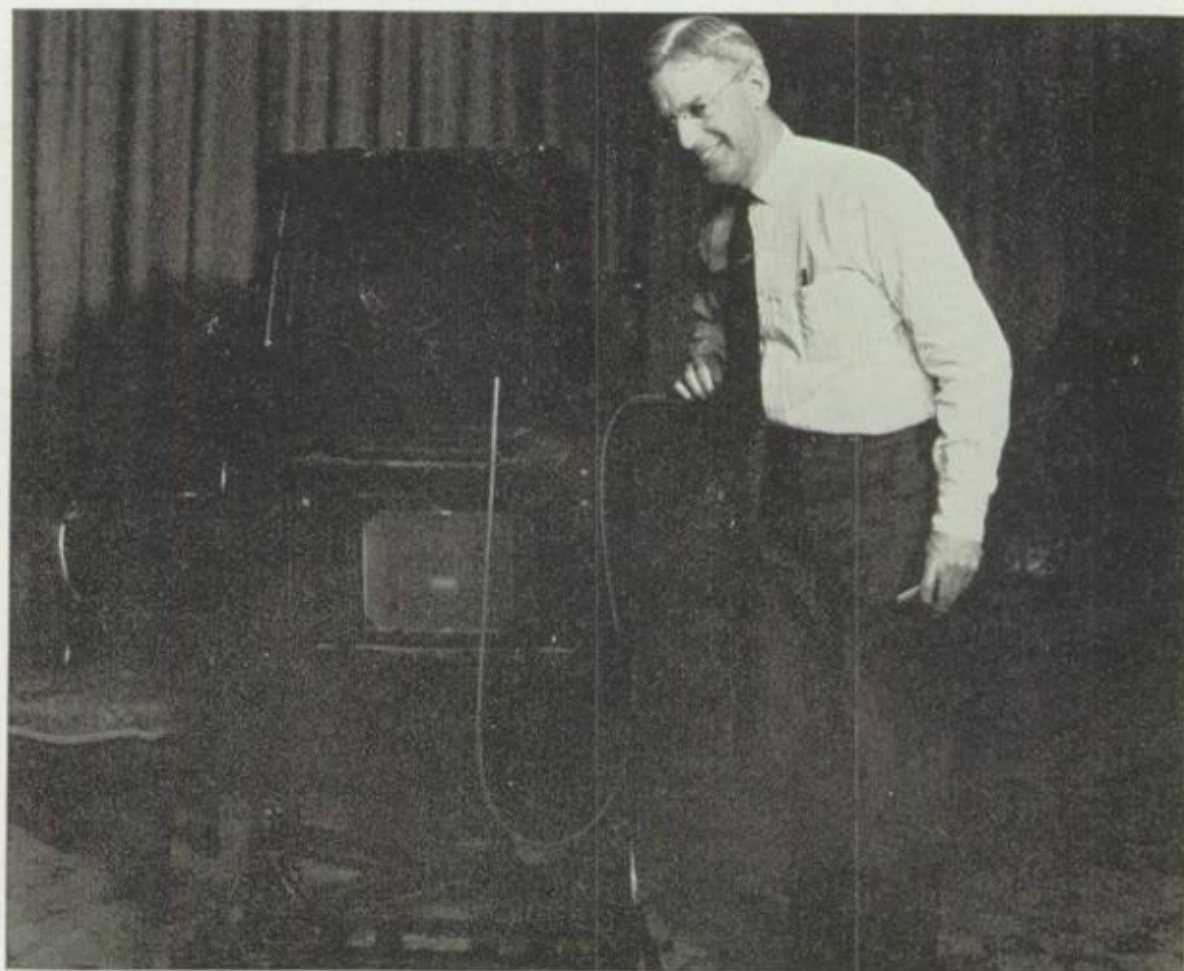

Medals were awarded to the first three teams in the league, gold to the Zephyrs, silver to the Spartans, and bronze to the third place Spark Plugs.

FIRST ROW: Gersch, Blanihand, Moysey, Pugh, Spelman, Hagn, Martin, Bartossa. SECOND ROW: Martin, Handbury, Stewart, Sheehy, Urech, Gebo, Kuhns, Faulkner, Day. THIRD ROW: Matthias, Tozer, Mulligan, Baldridge, Nelson, Deacy, Driscoll, Kullerstrand.

THE tennis team is expected to take better than second in the South Section this year because so many members have returned from last year. The star of the team, Gardy Larned, is co-holder of the National Boys Doubles. He was runner up to his partner in the Boys National Indoor Singles, and he also ranked first in the Western Juniors. Others returning to the team this year are Wally Michel and Warren Alcock. When questioned, Coach Antonides, sponsor of the team, said, "The tennis team looks very promising. I think that the team ought to get at least first place in the South Section."

TENNIS

PROSPECTS for this year's track team look very good. Among those out for track this year are Paul Brown, Bud Buckley, Fred Steers, Ben Faurot, and Bob Grossmann. Last year, Brown took second place in the junior low hurdles at the City Track Meet. Buckley took ninth in the 440's. The team greatly felt the loss of Paul Franke, who moved from the city. Paul took a first at the meet last year. Coach Taylor, when questioned about the team's prospects, said, "With most of the fellows back from last year, I think that the team should do fairly well in the City Track Meet."

★ MILITARY — SCHOLASTIC RELATIONS

THE importance of the Reserve Officers Training Corps has been recognized by our statesmen and soldiers from the colonial days. The country looks to its educational institutions to furnish men of broad mind and well balanced education.

The R. O. T. C. had its beginning in the law of Congress, known as the Morrill Act, of 1862. Its purpose is to qualify selected students for positions of military leadership and appointment as reserve officers of the military forces.

In addition it helps to provide an electorate informed as to American tradition, ideals, and institutions, including the purpose and necessity of a sane policy of national defense.

The R. O. T. C. is a school for citizenship. It enriches our educational courses by affording a training of great value as a preparation for the callings of civil life. It lays a foundation for good citizenship by inculcating habits of precision and orderliness, discipline, self-control and resourcefulness; and by promoting good physique, correct posture, patriotism, and respect for constituted authority.

ELASTIC RELATIONSHIP

THE Morgan Park High School Reserve Officers' Training Corps, under the capable leadership of Sergeant V. A. Denison, has done outstanding work and has reached great heights in the past years. Last year it was given honor school rating and announced as the third best R. O. T. C. unit in the city of Chicago.

Empehi has had the outstanding distinction this year of having two of its members on the Cadet Corps Staff of the city, an honor seldom obtained by any school. The positions were Cadets Lieutenant Colonel and Major.

Greatly responsible for the R. O. T. C.'s success is its splendid band. Instructed by Captain Guy D. Hartle, it has more than fifty members and is commanded by a drum major thrice National champion, Norman Erickson.

MILITARY SCHOOL

The Seventeenth Annual Military Ball was given during the second semester at the Shoreland hotel which proved to be one of the most popular dances of the year. A movie at the Beverly theatre was sponsored and many rifle and drill competitions were entered into by the unit, the most outstanding of which was the Annual Federal Inspection, and Picked Platoon drill.

Through the scholastic year, the R. O. T. C. operated an efficient hall guard system which kept the school halls clean and orderly at all times. The fire guard, strengthened and improved, led the students quickly and quietly from the building during fire drills. The athletic guard and usher force, both picked from the R. O. T. C., proved to be of great value at football games and assemblies.

ELASTIC RELATIONSHIP

THE Officers' Club is the most active organization within the ROTC. It holds regular meetings at which ROTC theory, future events, and ways of improving the general efficiency of the unit are discussed. All cadet officers are members of the club. The members for the past year are as follows: Lieutenant Colonels Blake Hooper and Donald McMillan; Majors Robert Ruskamp and Russell Winkless; Captains Norman Erickson, Phillip Fons, Wayne Meagher, Frank Micus, Donald Nelson, Henry Noetzel, George Sloane, Warren Stromberg, Alexander Ulreich, and Robert Quast; First Lieutenants Coryden Babbitt, William Bell, Stanley Harvey, Rupert Hoye, Kenneth Johnson, Alan Koukalik, Walter Michel, Henry Rossen, and Robert Snip; Second Lieutenants Charles Blanchard, Earl Bingham, Forrest Cleag, Warren Ewert, Elmer Fogelson, John Jolly, Howard Mathis, Robert Martin, Norman Meyer, Arthur Mihalovits, William Minor, Albert Roebuck, Edwin Rocklin, Jack Spence, and John Ulreich.
